The Justis' - Bob, Nancy and Nicole

For nearly 30 years, Nancy Justis' name has been synonymous with UNI athletics and is very familiar to the media which has covered the Panthers. The 2005 season will be her 30th and final campaign, as she is retiring from her position of Assistant Athletics Director for Media Relations on January 2.

At a time when women were a virtual non-entity in the athletic media relations field, Justis blazed the trail for many who followed. After two years working in the University's public relations office, she was hired as UNI's first fulltime

assistant sports information director in 1976. She was promoted to sports information director three years later, becoming one of just a handful of women nationwide to serve as director and primary publicist for football and men's basketball. She was elevated to her current position of assistant A.D. in 2004.

Over the years, Justis has received countless publications awards from the College Sports Information Directors of America (CoSIDA). Her 2004 football media guide placed first in the nation in the 1-AA category. She was a founding member of the former Northeast Iowa Chapter of Women in Communications, Inc. She served as chair of CoSIDA's Career Enhancement Committee for several years. In addition, she was an Assistant Venue Press Chief at both the 1984 Summer Olympics in Los Angeles and the 1987 Pan American Games hosted by Indianapolis.

Commitment to UNI athletics extends to the entire Justis family household. Nancy's husband, Bob, has been the Panthers' public address announcer for football and men's basketball games for virtually all of their 29 years of marriage. Their daughter, Nicole, is a junior at UNI and a student assistant in the Athletics Media Relations office.

Justis' commitment, dedication and passion for Panther athletics are unquestioned. She bleeds purple and gold and has given her heart and soul to UNI for the past three decades. She has been without a doubt the foremost historian on UNI athletics and has been an invaluable member of the department's staff.

Chemistry kicks in just in time

Panthers on playoff bubble following 5-game win streak

By J.R. Ogden
The Gazette
Mark Farley said Monday his Northern Iowa football team has won five games in a row for one reason — chemistry. And he's not talking about

UNI FOOTBALL
that gushy, hand-holding, huddy-buddy stuff. "It's just how they play together," Farley said, "knowing how each other thinks. They know how to depend on each other."

"That's the hidden stuff behind what chemistry means. It's knowing and trusting what the other guys are doing," Farley said.

Farley said this kind of chemistry builds throughout the season, sometimes from success and sometimes from adversity.

The Panthers, who jumped back into the Sports Network Top 25 at No. 25, have had their share of adversity. They started the season 1-4, losing at NCAA I-AA Iowa State, at I-AA No. 1 Southern Illinois and at home against No. 3 Western Kentucky.

On top of that, UNI had a few injuries that would cripple most teams — fifth-year senior quarterback Tom Pettie was lost for the season with a separated shoulder, several offensive linemen have missed games and star defensive back Dre Dokes was out for a pair of games.

"That offense was built by guys going down," Farley said. "Others said, 'How do we make this work? How do we still get done?'"

The Panthers, somehow, have found a way. They've beaten Youngstown State and Indiana State on the road and have home victories over Western Illinois, Southwest Missouri State and Illinois State.

Most of these games were over by halftime — UNI has outscored Western, Southwest, Indiana State and Illinois State by a combined

Northern Iowa is wasting little time these days letting its opponents know that it means business on the football field. While the score at the end of a game is ultimately the one that counts, the score at the end of the opening quarter has been just as revealing during the Panthers' five-game winning streak. As coaches like to say, UNI is hitting its opponents squarely in the mouth, and they are not getting up. While whipping Western Illinois, Southwest Missouri State, Indiana State and Illinois State the past four weeks, the Panthers have enjoyed a 70-6 first-

Mark Farley wanted a few big Iowa guys to join his Northern Iowa football team. He got 13.

The Panthers released a list of recruits Wednesday. The first day of prep could be on the national letter-of-intent line.

Farley said he wanted big Iowa guys that just didn't want to play in the Big Ten, he said. Farley, who is in his fifth season at UNI, said he wanted to build a team that could compete in the Big Ten.

UNI/Farley recruiting for speed on defense

With a strong run game, we need to get the kind of personnel to complement that with a receiving corp that can get behind people so we can go deep.

He can describe his defensive needs in one word: speed. "We need speed," he said. "Nothing speeds up your offense as much as having a fast defense. We need to be able to get off the line quickly and get into the backfield."

UNI's Sanders named top frosh

Scholarship could be next for Oelwein walk-on quarterback

By J.R. Ogden

Maybe now Eric Sanders can get a scholarship to play football at the University of Northern Iowa.

A red-shirt freshman walk-on from Oelwein, Sanders quarterbacked the Panthers to a 6-1 record over their final seven games, including a six-game winning streak.

On Wednesday, Sanders was named the Gateway Football Conference's Freshman of the Year.

"It's kind of a pleasant surprise," Sanders said. "I really didn't know what to expect. (But) I don't really play for things like this."

What about that scholarship? "I hope so," he said with a laugh, but added he has no complaints. "They treated me like a scholarship player. They've given me every opportunity."

The biggest opportunity came when fifth-year senior quarterback Tom Pettie broke his collarbone Oct. 2 in a game against Southern Illinois.

THE UNIVERSITY

THIS IS UNI

Building on a strong tradition of teacher education, the University of Northern Iowa has evolved into one of the finest comprehensive public universities in the country. UNI emphasizes excellence in undergraduate education and offers selected graduate programs at the master's, specialist's and doctoral levels.

UNI's heritage and philosophy place great value on providing a student-centered educational experience. The university offers a learning environment that is small enough to provide students with individualized attention, yet large enough to provide a variety of resources, including distinguished faculty. UNI's special combination of challenge and support is indeed a key ingredient of a "Students First" education.

Students First

Today, UNI offers more than 120 undergraduate majors. Outstanding academic programs, many of which are nationally-recognized for their excellence, have been established in the colleges of Business Administration, Education, Humanities and Fine Arts, Natural Sciences, and Social and Behavioral Sciences. In addition, UNI participates in the bachelor of liberal studies program offered by Iowa's Regent Universities and provides classes in centers around the state through the division of Continuing Education and Special Programs.

Recognized as the premier public undergraduate university in the state, UNI is experiencing an increasing demand for its high-quality programs. Enrollment at UNI was 12,824 students in the fall of 2004. Students come from every county in Iowa, and about 94 percent of UNI's undergraduate students are residents of Iowa upon enrollment.

The University of Northern Iowa was founded in 1876 as the Iowa State Normal School. It became Iowa State Teachers College in 1909. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature changed the status of the institution to that of a university under its present title.

Facts & Highlights

- U.S. News and World Report ranks UNI in the top two among public comprehensive universities in the Midwest.
- Kiplinger Personal Finance magazine places us in the top 50 in the nation for best value in public colleges.
- The Education Trust (www.edtrust.org) named UNI first among peer institutions nationally for overall high performance in graduation rates.
- UNI prides itself on smaller class sizes that enhance faculty-student interaction and personalized instruction. Thirty-two percent of classes have fewer than 20 students, and 83 percent have fewer than 40 students.
- UNI students are actively involved with more than 200 student organizations, including special interest clubs, sororities and fraternities, religious groups and academic groups.
- UNI is the alma mater of NFL and Superbowl MVP Kurt Warner, as well as U.S. Sen. Charles Grassley.
- The UNI Wellness/Recreation Center, attached to the north side of the UNI-Dome, features a climbing wall, two pools, a running track, weight and fitness rooms, and courts for basketball, volleyball and racquetball.

DR. ROBERT KOOB University President

Robert Koob is the eighth president of the University of Northern Iowa. He began his tenure in August 1995, and he is the first UNI graduate to return to his alma mater as President. He has been distinguished at UNI for his efforts to promote and strengthen relationships between the University and the citizens of Iowa, and to fully integrate the use of cutting-edge technology campus-wide. These

initiatives build on the University's strengths in undergraduate education, teaching excellence, and service to Iowa.

His efforts have produced extraordinary campus and community growth, including the new Gallagher-Bluedorn Performing Arts Center, the Freeburg Early Childhood Program,

and the new Center for Multicultural Education. Also, expansions have been completed on the McCollum Science Hall, Lang Hall, and Maucker Union. The Native Roadside Vegetation Center has been created, and groundbreaking has occurred on the McLeod Center and soon will begin on the Human Performance Center.

He is involved in numerous local organizations, including Cedar Valley's Promise, Greater Cedar Valley Alliance, and the Waterloo Development Corporation. He also serves on numerous state and national Boards, and was honored in 2002 as the Cedar Valley Business Hall of Fame recipient, in 2003 as the Cedar Falls Representative Citizen of the Year, and in the fall of 2004, he was selected to receive the Benjamin Franklin Award from the Eastern Iowa Chapter of the Association of Fundraising Professionals for outstanding charitable service.

President Koob, a native of Hawarden, Iowa, received his B.A. in education from UNI in 1962, and a doctorate in chemistry from the University of Kansas in 1967. Dr. Koob has 16 years of classroom teaching experience ranging from high school science courses through Ph.D. level courses in physical chemistry. He and Yvonne have been married for over 40 years, and have seven children and 11 grandchildren.

RICK HARTZELL Director of Athletics

Now entering his seventh year as UNI's Director of Athletics, Rick Hartzell has overseen unparalleled success and growth for the Panther athletics program. He was named the University's fourth fulltime director of athletics since UNI joined the Division I ranks on Aug. 9, 1999.

Take some time to talk to Hartzell and his passion for UNI athletics, and college athletics in general, comes across loud and clear. His love for the

Panthers should be no surprise, since he was a UNI student-athlete during the mid-70s and was able to come back home to lead his alma mater's athletics program into the 21st Century. He also believes strongly in the "student" part of the term student-athlete and understands the importance of shaping well-rounded individuals for a life after competitive athletics are over.

The list of individual and team athletic successes since Hartzell took over at UNI is long and distinguished. The football team has claimed two conference titles the past four seasons, and the men's basketball team won its first Missouri Valley Conference championship in 2004, with back-to-back NCAA tournament appearances, including the school's first bid as an at-large team in 2005. UNI volleyball has won six of the past seven conference championships and made three NCAA Sweet 16 appearances during that span. Panther wrestling crowned its first Division I national champion in 2000 and has placed as high as 11th in the national tournament. Track and field and cross country teams have claimed numerous conference titles, including the last six indoor men's crowns. Baseball made its first NCAA tournament appearance in 2001, winning the rugged MVC crown. In fact, no less than 10 sports have seen teams or individuals in postseason action since Hartzell came back to the Cedar Valley.

Off the field, UNI student-athletes have shined academically, as well. UNI's overall student-athlete graduation rate is among the leaders in the MVC and Gateway Football Conference. UNI's overall student-athlete cumulative grade point average has risen dramatically, to better than 3.0 after the spring 2004 semester, for more than 400 student-athletes. The Panthers had no less than 25 student-athletes that earned academic all-conference honors in 2003-04.

Hartzell has been a key figure involved in several facility upgrades, including the development of the McLeod Center which broke ground last fall south of the UNI-Dome. When completed in 2006, it will house the men's and women's basketball programs, and volleyball and wrestling teams. Other fundraising initiatives include a new football locker room and enhancement of the outdoor track. Plans also are moving forward for a Human Performance Center that will house an athletics weight room, training rooms, team rooms, locker rooms and offices. In addition, Hartzell has overseen the effort to turn the UNI-Dome and future McLeod Center into an economic development site for the Cedar Valley by garnering concerts and other special events to campus.

Another key effort spearheaded by Hartzell was UNI's radio and television agreements. Panther football and men's basketball has local television contracts for TV with KFAX (Fox 28) and

for radio with KXEL, each of which was renewed for multiple years in 2004. UNI women's basketball and volleyball now is carried by radio and is one of the only schools in the Midwest to have regular-season broadcasts for home volleyball matches.

Hartzell has helped guide the University through the NCAA's certification process and has overseen the addition of women's soccer to varsity status. A past president of the Gateway Football Conference athletics directors, he currently is vice president of the Missouri Valley Conference administrators. He also serves as chair of the MVC sportsmanship committee, as well as serving as a member of the officiating committee and the Centennial Celebration committee. He recently received the All-American Football Foundation's General Robert Neyland Outstanding Athletic Director Award. Also, he is a highly-respected NCAA Division I men's basketball official, having worked games for the ACC, Big Ten and Conference USA, among others. He has officiated numerous NCAA tournament games.

Prior to being named at UNI, Hartzell served as Director of Athletics at Bucknell since 1988, directing a Division I program with 1-AA football consisting of 28 sports. Prior to his appointment at Bucknell, he was Director of Athletics and Chairman of Physical Education and Recreation at the University of Maryland-Baltimore County from 1985-88, directing a 19-sport program which moved from Division II to Division I during his tenure.

Prior to being named at Baltimore County, he was an Assistant Athletic Director for football and men's and women's basketball at Northwestern University from 1982-85; was an Administrative Assistant to the Director of Athletics and assistant baseball coach from 1980-82 at the University of Iowa; and an instructor, assistant football coach and head baseball coach from 1977-80 at Coe College.

Hartzell played football and baseball for the Panthers. He received his bachelor's degree in Physical Education and English from UNI in 1974, and his master's in Educational Administration in 1977.

A native of Klemme, IA, he was a five-sport letterman at Klemme High School. He has two children - Nate, 24, and Amanda, 22. His personal interests include reading, fitness, auto racing and spending time with family and friends.

He and the former Jill George of Newton, IA, a Doctor of Chiropractic, were to be married Sept. 3 and reside in rural Cedar Falls.

NICKNAME

It was 1931. The student newspaper was called The College Eye. Cheerleaders were men and the UNI Panthers were known as the Iowa State Teachers College Tutors.

In the fall of that year, a contest to change the name of the school's athletics teams was sponsored by The College Eye and the men's Physical Education Department.

The winning name was the "Purple Panthers", submitted by Burl Berry of Wellman, IA, and that's the name that has guided UNI teams for more than 70 years.

Berry, who also happened to be that season's football MVP, won a briefcase from Berg Drug Company. The second-place winner received an alarm clock.

It also is known that the third-place name was the "Purple Grackles", submitted by students living in the same rooming house.

PANTHER MARCHING BAND

The UNI Panther Marching Band celebrated its 100-year anniversary in 2000. It all started in 1900 when eight students formed a Cadet Band, which performed for local events on campus and in downtown Cedar Falls. By 1929, under the direction of Myron Russell, the marching band numbered 120 men and women, and quickly was gaining prominence as a quality university marching band. In the years to follow, the band has been guided by an eminent list of directors, including Russell, Karl Holvik, Don Wendt, Jim Coffin, Paul Brizzi, Ashley Alexander, Paul Smoker, William Shepherd, John Vallentine, Dr. John Baker, and Christopher Woodruff.

Known for a classy and professional approach to performance, the band is recognized across the Midwest for its dynamic style, innovative drill and sensitive musical interpretation. The ensemble

continues to thrill audiences at home football games in the UNI-Dome, as well as during road trips to other universities and NFL stadiums. The sounds of the "Panther Marching Band" can be heard on several CDs.

The band's pre-game and halftime shows contain hundreds of active frames or "moving sets" for the individual members of the band, coordinated to exciting music written by some of the leading arrangers in the country. Central to these field performances are sophisticated routines by the UNI Flag Line and Feature Twirlers, as well as professional dance choreography by the UNI Dance Team.

KEYS JINGLE

A different kind of music can be heard at football games as the Panthers put the ball into play. Jangling keys by fans await the opponents at each kickoff.

Illustrious History

Cedar Falls, IA, is the home of one of the finest 1-AA football programs in the nation. It's also home of one of the nation's premiere institutions of higher learning. Friends and fans of the UNI football team can relate many successes from the past century and more, but the last 18 years has produced some of the most exciting and successful seasons in history. There's no question the UNI football program arrived as a national power during the 1980s and it has seen continued success.

1895	First collegiate season.
1936	The Panthers embarked on their first full season of competition in the North Central Conference.
1939	The new Iowa State Teachers College Stadium was used for the first time on September 23 when Northeast Missouri State Teachers College invaded the local field. In addition to his work with the Vikings, he also assisted the Minnesota Wild of the National Hockey League, the Minnesota Thunder of the United Soccer League and Penn State football in an effort to incorporate explosive strength training into their individual programs.

Beginning in June of 2002, he was an Exercise and Sports Science instructor at Dakota County Technical College in Rosemount, MN and also served as the Minnesota USA Weightlifting Regional Training Center director during the same time frame.

Prior to 2002, he had several coaching assignments at Rosemount High School beginning in 1996, including ninth grade boys basketball and wrestling. He served as Rosemount's strength training and conditioning coach for all sports from 1997-2002, was head boys tennis coach from 2000-2002, and coached the school's Olympic weight lifting from 1999-2002.

Smith earned his bachelor's degree in Social Science from Minnesota-Morris in 1994 and a second bachelor's degree in Psychology in 1995. He received his master's in Education with an emphasis in Strength and Conditioning from Hamline University in 2003.

He was born in Cedar Rapids, IA, and his wife's name is Tammy.

The UNI Strength and Conditioning program is a blend of science, technology and one-on-one attention to each student-athlete.

Throughout the year, UNI athletes can spend more time working on strength and conditioning than any other aspect of their game. During the off-season, athletes work on strength improvement, speed, power, agility and conditioning. The in-season program is devoted to continuation of strength gains and performance-related conditioning.

Throughout an athlete's first year on campus, baseline measures of strength, speed, power, agility, flexibility and endurance are collected. Measure of body composition and weight also are recorded. With this information, goals are set for development and maintenance. Programs are established for each player.

Sports Medicine
Donald L. Bishop,
head Athletic Trainer
for seven years and

Director of Athletic Training Education and Assistant Professor in the Department of Health, Physical Education and Recreation at Upper Iowa University for one year, was named at UNI in August of 2001.

He received his bachelor's degree in Health, Physical Education and Recreation from Upper Iowa in 1992 and his master's in Health, Physical Education and Leisure Services from UNI in 1998. In his position at Upper Iowa, he coordinated athletic training coverage for 17 Division III sports teams.

Prior to joining the Upper Iowa staff in 1994, he was a Clinical Outreach Athletic Trainer at Winneshiek County Memorial Hospital in Decorah, IA, from 1992-94, and was an Adjunct Instructor at Northeast Iowa Community College in Calmar, IA, in the spring of 1994.

Bishop has served on the College and University Student Athletic Trainers Committee since the spring of 1999 and has been a member of the National Athletic Trainers Association (NATA) Board of Certification Exam.

The demands of the Gateway Football Conference as well as one of the most competitive non-conference schedules in the country place tremendous stress on an athlete's body.

The UNI sports medicine program features top-rate facilities and the outstanding services of sports and health care professionals.

The sports medicine program focuses on injury prevention. Staff members utilize Merac strength-testing devices, provide dietary analysis, measure physiological capacity and outline programs to

improve an athlete's flexibility.

Athletic trainers and physicians work together to design rehabilitation programs for injured athletes. A wide variety of facilities and equipment, not only in the Sports Medicine Lab but in the Wellness and Recreation Center, including swimming pools, Merac equipment, Stairmasters and various exercise bikes, help athletes rehabilitate injuries and minimize the loss of fitness during recuperative time.

Student-Athlete Assistance Program (SAAP)

The University of Northern Iowa SAAP provides confidential, professional, and voluntary assistance and support to student-athletes regarding personal problems that are adversely affecting their academic or athletic performance. Educational programs also are offered to prevent problems and promote the general well being of student-athletes.

The SAAP offers education and assistance regarding alcohol/drug problems, emotional problems, family difficulties, health/physical problems, financial and legal problems and eating disorders, among others.

To ensure the SAAP's effectiveness and protect students' rights, the following guidelines govern the program:

- The academic or athletics status of the student will not be jeopardized by the student seeking assistance.
- The program must protect the privacy of the student by employing strict confidentiality measures. Any details of communication between students and Core Committee members or Athletics Department personnel may not be disclosed to any source without the prior written consent of the student-athlete.
- The decision to use the program must be voluntary.
- Unless the student-athlete consents otherwise, the person making a referral to a source of assistance at a student-athlete's request may disclose only the following information: how the student was referred to SAAP, and the reason for the referral.

The UNI-Dome, a unique, multi-purpose athletic facility built in 1976, has gained a reputation as one of the finest collegiate facilities in America. The Dome combines the features of a field house, football stadium and large auditorium. It contains accommodations for a variety of events, such as concerts, exhibitions, trade shows and convocations, in addition to football, basketball, softball, wrestling and track events. It has been the host site for NCAA football playoffs, gymnastics and wrestling championships, high school football and basketball, the Iowa high school football playoffs, was the site of the 1997 NCAA national wrestling championships, and was the site twice for the International Superstars Track and Field Invitational, featuring several world-class athletes.

The Dome's versatility allows for football and basketball games or track meets to be held the same day. Underneath the artificial football turf on a synthetic floor area are basketball and tennis courts

and an eight-lane, 200-meter oval running track.

The turf was replaced 13 years ago with a new AstroTurf manufactured by Balsam Corporation, the same material that lasted 16 years prior to the installation of the new. It's a premier surface which has been utilized by every Dome facility in North America with the exception of one and offers the best durability and playability of any material on the market. The former air-supported, teflon-coated fabric roof was replaced seven years ago with a permanent structure.

Approximately 16,400 spectators can be seated for football games and track meets and, although normal capacity is 10,000 for basketball, seating can be expanded to over 20,000. For stage productions such as concerts, total capacity can reach 25,000.

The University, the community and the entire state of Iowa celebrated the UNI-Dome's 25th anniversary in 2001.

Sheriff Field Named After Stan Sheriff

The UNI-Dome has been the home of the Panther football program since 1976, but the field itself was named Sheriff Football Field in the spring of 1993 in honor of UNI's former football coach and athletic director. Stan Sheriff was head football coach from 1960-82. He also served as athletic director from 1970-83. From UNI, he went on to become athletic director at Hawaii, a position he held until dying of an apparent heart attack January 16, 1993, in Honolulu at the age of 60. Sheriff has been credited with the primary vision for the multi-purpose facility and has been given the most credit for getting the building constructed. At the time

of Sheriff's death, Fred Lewis, a staff columnist for The Honolulu Advertiser, wrote, "His (Sheriff's) diesel drive and far-reaching vision helped the (Hawaii) program scale milestone heights, all the while doing the near impossible in intercollegiate athletics today, operating inside the rules and in the black...Where others saw things as they had been or were, Sheriff was able to see them as they would be and plan accordingly...This was, after all, a man who in his previous job as athletic director at Northern Iowa sold the concept of a 16,800-seat, air-supported domed stadium to a disbelieving town." Former head football coach Terry Allen, who played for Sheriff, said, "Without what Stan Sheriff did, none of us at UNI would have what we have today."

The Human Performance Center

Quality field experiences and a strong training regimen are hallmarks of a UNI education. These standards and yet another exciting opportunity for community partnership lie at the heart of a new Human Performance Center which will be part of a facility adjoining the west side of the Wellness Recreation Center.

The HPC will enable students and faculty from UNI's School of Health, Physical Education and Leisure Services to collaborate with area medical professionals on a daily basis. The HPC will house several of the School's academic, research and public service programs, including the National Program for Playground Safety, Camp Adventure Youth Services, Global Health Corps and Youth Agency Administration.

The new facility also will have a Sports Medicine Center, including office and treatment spaces for physicians and therapists that will play a vital role in UNI's fastest-growing athletic training major. The HPC, in conjunction with the proposed UNI strength and conditioning facility which will be located at the north end of the UNI-Dome, also will serve UNI's intercollegiate athletics programs by creating classrooms, coaches' offices, team rooms, conference rooms, training facilities and locker rooms for player development activities, including strength conditioning, nutritional advising, and agility/speed activities.

The McLeod Center

It is impossible to imagine the UNI campus without the UNI-Dome. It began merely as a dream. Today, this facility stands as visible evidence of the dedication of alumni and friends who have helped build the facilities UNI students and programs deserve.

Ground was broken for the new McLeod Center in the fall of 2004. It will be a facility specifically built for the Panther volleyball and basketball programs, will provide year-round training opportunities, will be attached to the south end of the UNI-Dome and together with the Wellness and Recreation Center, will complete a state-of-the-art athletic and recreation complex. General fixed bowl seating of 6,100 with capacity for 7,000 will accommodate sports, concerts, exhibitions and other community events.

The Center will provide a focal point for students, faculty, staff, alumni and the community to come together to cheer the Panthers, will bolster the image of the university as a premier performance center, and will ensure continued success and growth of UNI's student-athlete tradition.

The Outdoor Track Complex

UNI's outdoor track complex was completed in time for the Panthers to host the 1998 Missouri Valley Conference Outdoor Track and Field Championships. The Panthers hosted that event once again in 2002 and this past spring.

Wellness/Recreation Center

This \$18.3 million facility, attached to the north side of the UNI-Dome, opened in the fall of 1997. It features the highest climbing wall in the Midwest, two pools, a running track, weight and fitness rooms, and basketball, volleyball and racquetball courts.

The West Gym

The West Gym currently is home to the Panthers' wrestling, women's volleyball and women's basketball teams until the McLeod Center is constructed. The facility was remodeled six years ago with a new floor, locker rooms and lower bleacher seating.

Panthers facing up to t

2005 OUTLOOK

Eric Sanders was named GFC Freshman of the year in 2004.

Senior Justin Surrency led the Panthers in receiving in 2004 with 46 catches and seven TDs.

Senior Terrance Freeney rushed for more than 1,000 yards for the second straight season.

Pieces of the Puzzle Coming Together Farley Encouraged by Advancements Made in Spring Ball

Anyone who knows UNI head coach Mark Farley is aware of how intense an individual he can be. During the season, and pacing the sidelines, he's focused, all business. He will smile on occasion, after an unusually spectacular play, or following a win. Following a win, he's as animated as his players.

Farley was a little more upbeat at the conclusion of spring drills -- more apt to smile. That's because many of the pieces to the Panther puzzle began to fit together. Strides were made in narrowing the gaps. That's not to say there isn't more work to be done once preseason rolls around in August. A backup quarterback needs to be identified, as does a backup tight end, and a starting fullback. The punting game should be validated. But all in all, Farley couldn't have been more pleased.

"I felt it was a very productive spring," he said. "I think we know our team better now than maybe at the end of previous springs because more of the team was in camp. I'm encouraged how the players are lining up right now. This is a good football team."

As it should be. Farley is in his fifth season as the Panthers' head coach. He's had the opportunity to fill four recruiting classes.

"We're finally getting our style of players," he said. "We're creating depth across the board. We have the depth to play the style we want on offense and defense. We're three and four deep at positions so if someone happens to go down to injury, it shouldn't hurt us so drastically. It's looking like there's talent on the field. I definitely like the speed on the field."

Catch words heading into spring drills were depth and competition. Farley now is more comfortable with the depth, and competition has made, and will continue to make, the team that much better.

"One thing I've learned is that competition makes everyone better," Farley said. "Just by knowing there's someone competing with you, you tend to put a lot more effort and individual time into it."

The Panthers' strength comes from the returning experience on the offensive side of the ball. Leading receiver, senior Justin Surrency, returns as does quarterback Eric Sanders, who was selected the Gateway Football Conference's Freshman of the Year. Three starters return in the offensive line along with several experienced reserves. A shift in position of one player from defense to right offensive tackle has added to the strength of the line. Two-time 1,000-yard rusher, Terrance Freeney, returns for his senior season. Brian Wingert, the nation's percentage leader in field goals, is back along with snapper Kevin Stensrud.

There is less experience on the defensive side of the ball. The Panthers return both starting inside linebackers, both corners, and two starters in the defensive line.

"Defensively, we had a lot of work to do in the spring," Farley said. "We played a lot of young athletes last year who now could be in their second season as starters. In the secondary, we lost two quality safeties, and that's a key position for us. We also had concerns at outside linebacker because of the youth."

"I think we've found three safeties to fill two slots. We were looking for depth as much as talent, and I believe we've found both."

Overall, 35-of-58 lettermen return, including 15 on offense and 20 on defense. UNI has eight offensive and six defensive starters back for 2005.

Quarterbacks

There were positives and negatives regarding the season-ending injury to fifth-year senior Tom Petrie in the fourth game last year. Obviously, it was a blow to the team to lose a player with that much experience. Petrie gained over 6,000 career yards in total offense, ranking fourth on UNI's all-time chart. He signed a free agent contract with the Washington Redskins in April.

It's always good to turn a negative into a positive. Redshirt freshman Eric Sanders stepped into the starting role and led the Panthers to six straight victories to end the season. He completed 95-of-150 passes for 63.3 percent, gaining 1,307 yards and 15 TDs with just five interceptions. He finished the season ranked third in 1-AA in passing efficiency and was named the Gateway Football Conference's Freshman of the Year and to the league's All-Newcomer Team.

"We could have been going into this season with a question mark at quarterback," Farley said. "With the experience Eric gained last year, we were able to move forward more quickly this spring. He's very intelligent. I thought the difference in the spring game was due to Eric's ability. He made the plays to keep the chains moving. Now we have to identify the backup. We're one hit away from the same situation we found ourselves in last year."

Sophomore Chris Parsons played in just two games last year and did not attempt a pass. He was shifted to free safety in the spring and has a chance of starting on defense. Junior Grant Zielinski was moved to fullback where he has an opportunity to compete for playing time. Redshirt freshman Nick Nelson saw most of the action as Sanders' backup during the spring. He was a three-year starter at Cedar Falls (IA) High School, becoming the first Tiger signal caller to pass for more than 1,000 yards in consecutive seasons.

CB Dre Dokes led the Panthers in interceptions for the second straight year with four.

ILB Brett Koebeke led UNI in tackles in his first year in the Purple and Gold.

Brian Cutright is the most experienced player at tight end after sharing starting duties last year.

"Chris is a talented enough athlete that we need him on the field somewhere," Farley said. "That's why we made the move. That's also why we recruited Dexter Hill and Patrick Grace."

Hill was a third team all-American and Region 1 Offensive Player of the Year at Scottsdale Community College after completing 175-of-302 passes for 2,319 yards and 19 TDs. Grace was a Class 4A first team all-state selection at Sioux City's (IA) Heelan High School. He threw for 1,800 yards and 21 TDs while rushing for 700 more yards and 10 TDs.

Offensive Line

With the return of three starters in the offensive line and several reserves, the Panthers were in good shape heading into spring drills. The reassignment of junior Joe Lobdell from the defensive line has done nothing but make this segment stronger.

"Joe has taken a quantum leap," Farley said. "He did a great job for us at right tackle in the spring."

"I'm very pleased with our offensive line. We've got experience, we've got two- and three-year starters. We can line up with a 300-pound line and still be mobile. These players were 260-pounders when they arrived on campus, now they're 290 pound-plus linemen who can run."

The graduated starter is tackle Luke Stigler, a first team all-conference choice and third team All-American by CollegeSportsReport.com. Returning starters include junior Tyler Rawlins and sophomore Barrett Anderson at guard, and senior center John Schabillon. Sophomore tackle Chad Rinehart and senior guard Jeff Bates have seen plenty of action in reserve roles.

"Rinehart, Rawlins and Anderson are three quality young players," Farley said. "We have experience, but we're still young, which tells me we haven't begun to tap their ability."

One emphasis during spring practice was to identify a backup center. Farley believes he has found that in sophomore Eric Hoffman. "He could be a starting left or right tackle," Farley said. "But we needed to develop a backup center should something happen to John. Eric filled that role. Now we have the ability to move him around this fall."

"Rinehart came along nicely at left tackle. (Redshirt freshman) Bob Swift is a strong candidate. He's a big man and had a very good spring camp. He was playing left tackle as a backup to Rinehart, but he easily could play guard, as well. I think our guard play is really good."

Also listed in the depth chart heading into the fall are junior Kyle Newlin and sophomore Adam Falk.

Wide Receivers/ Tight Ends

Second team all-conference pick, senior Justin Surrency, led the squad last year with 46 catches for 686 yards and seven TDs. He also was the team's top punt returner with 14 returns for 125 yards and one TD. Overall, UNI returns five of its top six receivers, losing only tight end Andy Thorn, the team's second-leading receiver.

Joining Surrency in the flanks are seniors, Akron University transfer Jamie Goodwin and Patrick Hunter, both who spent much of the spring with the Panther track team; junior James Lindgren, senior Jason Breeland, and sophomore Everett Roberts. Junior Curt Bradley played baseball in the spring. Redshirt freshman Johnny Gray was one highlight of spring drills.

Breeland was the third-leading receiver in 2004 behind Thorn with 16 catches for 134 yards, while Bradley had 12 catches for 144 yards. Lindgren recorded 11 catches for 152 yards and three TDs. He played in just eight games due to hamstring injuries.

"We have speed in our receiving corp," Farley said. "Breeland, Lindgren and Surrency are quality receivers. Goodwin and Hunter were members of our conference outdoor track championship squad but still played in the spring game and that was good, because we needed to find out what they could do after catching the ball. They did a nice job."

"If you had to pick a player of the game, however, it would be Johnny Gray. He played both receiver and running back for us because we were short in the backfield. He was very productive."

Running Backs

Senior Terrance Freeneay was the league's Newcomer of the Year in 2003 and has two 1,000-yard rushing seasons under his belt. Farley hopes his third year in the Purple and Gold will be his best.

"We've got a very good running back," Farley said. "With that said, Terrance still needs to find the way to reach another level. He has that power."

Freeneay rushed for 1,261 yards and 16 TDs in 2003 after transferring from North Dakota State College of Science. He ranked 26th nationally in rushing, 17th in scoring and was a Walter Payton Award candidate. Last season, he again was a preseason candidate for the Walter Payton Award before illness and injury slowed his progress. Despite being less than 100 percent, he still rushed for 1,100 yards and seven TDs last season on his way to being named first team all-conference and third team All-West Region by Don Hansen. He finished the season ranked 28th in 1-AA in rushing.

Farley believes the biggest loss from last year's team on either side of the ball is running back Richard Carter. "Richard brought a lot to our game, particularly over the last two years," Farley said. "He was as important as anyone on our team and he will be a hard one to replace. He brought competition, a freshness. He brought it all."

Added to the mix is Nebraska transfer, senior David Horne. Horne recorded 1,092 rushing yards in two seasons to rank 45th on the Husker career list. He rushed for 441 yards and four TDs as a sophomore and 651 yards and seven TDs as a freshman before his playing time was cut drastically as a junior. In 2002, he was a fourth team Freshman All-American and first team Freshman All-Big 12 choice by The Sporting News, and an honorable mention all-conference pick.

"We had no idea what we had in Horne heading into the spring," Farley said. "He was just another recruit who needed to show what he could do on the field. He did some good things in the spring game. That probably was his best day in camp. He ran the ball hard. He had a good line in front of him, so he had a chance to show what he could do. With Terrance and David, we have two good running backs that I feel

can make plays for us."

Other freshmen who stood out during spring drills besides receiver Johnny Gray were running backs Corey Lewis and David Shields.

Two primary emphases in the spring were identifying a starting fullback and a tight end to back up Brian Cutright with the graduation of Reggie Brown and Andy Thorn. Thorn was the Panthers' second-leading receiver from his tight end position last year. He signed a free agent contract with the Philadelphia Eagles in April.

Sophomore Matt Garvin came out of spring drills as the starter at fullback, backed up by converted quarterback Grant Zielinski. However, nothing is written in stone. Originally recruited as a tight end, junior Ross Hannam was moved back to that position from the defensive side of the ball in the spring, following in the footsteps of his brother, former Panther Ryan Hannam, now playing tight end for the Seattle Seahawks. Also looking for playing time here are freshman Brandon Vonnahme and junior Kyle Niemann.

Cutright shared starting duties with Thorn last year, catching nine passes for 169 yards and one TD. "Brian Cutright is a special player," Farley said. "He's an excellent blocker and brings a lot to this football team."

Defensive Line

The Panthers return two of three starters in the defensive line, shifting primarily from a 4-3 to a 3-4 formation. Senior Kevin Stensrud returns to the nose tackle position after starting 12-of-13 games in 2003 and eight-of-11 games last season. He missed all of spring drills due to a tear in his right knee, opposite from the left knee problems that have plagued his entire career. Stensrud recorded 13 solos and six assisted tackles, four tackles for loss, recovered one fumble and got his first interception of his career a year ago.

Also returning is end John Hermann, who started the final six games of the year. He was credited with 13 solos and six assisted tackles, three tackles for loss and one fumble recovery. The new face in the starting

Darin Heideman is one of two returning starters at inside linebacker.

lineup heading into the fall is sophomore Jordan Lacy at left end. Lacy played in 10 games a year ago, compiling seven solos and one assisted tackle, three tackles for loss and one sack.

Senior Charles Johnson filled the starting role at nose tackle with Stensrud's absence. Johnson hasn't played for two years since transferring from Northern Illinois.

"In Lacy and Hermann, we have two experienced players," Farley said. "Lacy showed last year in certain situations that he can really play the game. Johnson is a quality player who will compete with Stensrud."

Coming out of spring, freshman Mark Huygens and junior Nick Pauly are backing up Lacy, while senior Michael Matthes and freshman Levi Whitmire are competing for time behind Hermann. Pauly saw action in just two games last season, while Matthes played in all 11 games, recording 15 solos and eight assisted tackles, seven tackles for loss and two sacks.

Other than Johnson, the Panthers on paper are small. "We're probably small," Farley admitted. "My concern is how mobile we can be, not necessarily how big we are."

Linebackers

Linebacker is a 50-50 proposition for the Panthers in 2005. They return the two inside players, but must replace the two outside slots. UNI's leading tackler last year was Brett Koebecke, compiling 41 solos and 18 assisted tackles, five tackles for loss, one sack, one interception and two forced fumbles in his first season after transferring from William Rainey Harper Junior College. He was named to the conference's All-Newcomer Team.

Senior Darin Heideman was credited with 26 solos and 15 assisted tackles, seven tackles for loss, two sacks and two fumble recoveries.

"We have two quality linebackers in Koebecke and Heideman - two guys ready to go who have been in the battles," Farley said.

Apart from Koebecke and Heideman, Farley and his staff "stirred the pot" to find the right combinations for the remaining positions. Sophomore Brannon Carter, a converted wide receiver, earned one starting position

at outside linebacker, while junior Nick Davis is listed on the opposite side. Carter played in eight games a year ago, Davis three.

The Panthers are truly young in the reserve roles. Those eight positions have combined for just a total of six games played in a UNI uniform, three by junior Andrew Williams last season, two in 2003. He's penciled in to back up Heideman. Sophomore Araf Evans-Sykes, originally recruited as a receiver, played in just one game at free safety a year ago and is listed as a backup to Carter. Dave Schratz, a backup to Davis, transferred from Iowa Central Community College in January. Freshman Justin Kirk is listed as Koebecke's backup heading into the fall.

Defensive Backs

As at linebacker, UNI returns just 50 percent of its starting secondary from 2004. Corners Dre Dokes and Alphonso Key return, along with Curtis Cooper, who started two games in place of Dokes when the latter was injured.

Dokes is a two-year starter and has led the squad in interceptions two straight years with four each season. He was the team's sixth-leading tackler last season with 30 solos and nine assisted tackles, two tackles for loss, two deflections and one blocked kick. He was named to the league's All-Newcomer Team and second team all-conference as a freshman. This past season, he was a first team all-conference selection and a second team All-West Region choice by Don Hansen.

Key started all 11 games last year, recording 21 solos and four assisted tackles, one tackle for loss, one interception and a team-high 13 pass breakups. Cooper was credited with 11 solos and one assisted tackle. He currently is listed as Dokes' backup at right corner.

The Panthers lost James Idleburgh and Tyler Johnson at safeties to graduation. Idleburgh was the second-leading tackler with 40 solos and 16 assisted stops, three tackles for loss, one sack, two interceptions and two forced fumbles. Johnson was the fifth-leading tackler with 29 solos and 13 assisted with three deflections and one fumble recovery for a TD.

Filling their roles coming out of spring drills are senior Tanner Varner at strong safety and either sophomore

Jordan Lacy earned a starting spot at LE coming out of spring drills.

Chris Parsons or junior Matt Tharp at free safety. Varner transferred from Ellsworth Junior College, recording three solos and one assisted tackle last year with one deflection. Parsons, as mentioned, was a reserve quarterback last year, but he earned first team Daily Oklahoman, Tulsa World and Oklahoma State Coaches Association honors as a defensive back as a prep. Tharp missed most of spring drills and underwent arthroscopic knee surgery in April. He played in nine games last year, compiling nine solos and three assisted tackles with one tackle for loss.

Backing up Key at left corner are sophomore Nick Alvarez and freshman Sean McMoore. Junior Ryan Manahl and freshman Terrell McMoore, twin brother of Sean, are listed behind Parsons and Tharp. Sophomore Clifford Waters is penciled in behind Varner, while senior B.J. Stotser is listed behind Dokes and Cooper.

Alvarez saw limited action in 2004 and Manahl still is recovering from major surgery after fracturing his right knee last August. Waters played in the last nine games of 2004, recording four solos and four assisted tackles, and Stotser played in just five games last year.

"We have experience from last year and we had enough competition from the receiving corp in the spring that tested our DBs in practice," Farley said. "We have speed and players with intelligence. We have competition, and some experienced juniors along with our redshirt freshmen.

"Varner probably was our most improved player last year and he and Tharp have been waiting their turns. Ryan probably was one of our top DBs last year before he got hurt. Add the two McMoore boys, and we have good competition within the ranks."

Special Teams

UNI graduated honorable mention all-conference punter Cory Henke, who finished his career no. 8 on the school's chart for average (39.81). He averaged 40.6 yards on 52 punts last season with a long of 57.

The punting game was a one-horse race in spring camp with junior Adam Kos taking over the duties. Linebacker Justin Overman was to compete for the

job since he was recovering from shoulder injuries and was not to participate in any contact. Overman had received another year of eligibility after suffering numerous injuries throughout his career. Tragically, his career now is over after tearing the ACL in his left knee planting his leg on a punt in spring drills. He was an all-conference punter in high school.

"Adam did a great job punting in the spring for us," Farley said. "We didn't put any pressure on him in the spring game. He's doing everything he can to make sure the job is his. We'll bring in a couple more players during two-a-day camp to compete for the position. The special teams will be a huge emphasis early in camp. Adam also did a great job holding for Brian (Wingert)".

Wingert returns to his role after making 40-of-42 extra points and 14-of-18 field goals last year. He ranked third in 1-AA in field goal percentage. He was named a third team All-West Region choice by Don Hansen. Kevin Stensrud also returns as the long snapper, though he was sidelined all spring with a knee injury.

Senior receiver Justin Surrency averaged 8.9 yards on 14 punt returns last year, scoring once. Junior receiver James Lindgren returned 11 punts for a 5.8 average, but he was slowed by hamstring injuries. UNI needs to find a kick returner after Richard Carter graduated. He averaged 23.6 yards on 17 kick returns last year. Junior receiver Curt Bradley returned four kicks for a 13.5 average last season.

Brian Wingert ranked third in 1-AA in field goal percentage in 2004.

Schedule

The Panthers host six home games in 2005. They open Thursday, Sept. 1, against Drake University and have Division II Minnesota Duluth in the UNI-Dome Sept. 10. UNI travels to 1A Iowa Sept. 17 and opens the Gateway Conference slate Oct. 1 at Western Illinois, followed by Missouri State on the road on Oct. 8.

Indiana State comes to town Oct. 15 for Homecoming and UNI plays at Illinois State Oct. 22. Three of the last four games will be at home, hosting Youngstown State Oct. 29 for Family Day, playing at Western Kentucky Nov. 5, and finishing out the season at home Nov. 12 against Southern Illinois and Nov. 19 against non-conference foe Northern Arizona Nov. 19.

Iowa will be a stiff challenge for the Panthers with talk of the Hawkeyes being a dark horse for a national title. WKU and SIU advanced to the 1-AA playoffs last year.

NOTES

Historically: UNI put its first football team on the field in 1895. The Panthers' all-time record is 554-359-47 in 960 games.

Home Sweet Dome: UNI was 4-2 at home in the UNI-Dome last season and had an eight-game home win streak before losing 24-21 to 13th-ranked Stephen F. Austin in the second home game of the year. It now has a three-game win streak at home after winning the last three home games in 2004. The Panthers have gone undefeated at home in a season seven times since 1990.

The Panthers had a 25-game overall home winning streak heading into the 1992 1-AA semifinal game against Youngstown State. The Penguins snapped the streak with their 19-7 win on December 12, 1992.

Prior to a September 24, 1994 loss to McNeese State, UNI had won 29 straight regular-season games in the Dome dating back to the 1989 season when it lost 22-14 to Mankato State in the first game of the year.

UNI is 143-38-1 (.788) in the UNI-Dome. Prior to 1998, the Panthers had two consecutive undefeated seasons in the Dome and were 6-0 in 2001 and 2003. They now are 49-11 in home Gateway games, leading the league in home conference victories.

UNI Tied for 21st in Final GPI: UNI was tied for 21st in the final 2004 1-AA.org Gridiron Power Index (GPI), the BCS-style ranking for 1-AA. The Gateway Football Conference was tied for second with the Big Sky Conference behind the Atlantic 10. Southern Illinois was ranked seventh, Western Kentucky 13th, and Missouri State was ranked 45th.

UNI Plays in a Tough Neighborhood: According to 1-AA.org, UNI was tied for first with the highest number of alums listed on 2004 NFL rosters with 10. The Gateway Conference as a whole had the most players represented in the league with 34, ahead of the Atlantic 10's with 28.

Still the State's Top Team: UNI's 2001 11-3 record marked the 13th straight season it had won at least seven games, while 2002's 5-6 mark represented the first losing season 1988. UNI bounced back to finish 10-3 in 2003 and was 7-4 last season. Prior to the 2002 campaign, the stretch had seen the Panthers compile an impressive 115-44 record. Against Gateway opponents, the Panthers are 91-31 (.746), leading the league in wins.

UNI went 0-3 against 1-AA top 25 teams last year, losing by just a combined 14 points to 13th-ranked Stephen F. Austin (24-21), no. 1 Southern Illinois (40-36) and to sixth-ranked Western Kentucky (17-10).

The Panthers now are 45-30 against teams ranked in the 1-AA Top 25 since 1985. They are 1-4 versus teams ranked no. 1 in a specific poll at the time of the contest after losing 40-36 to Southern Illinois last year. UNI also lost to no. 1 Marshall in the 1996 playoffs 31-14, defeated no. 1 Youngstown State 35-32 in 1997, lost to no. 1 McNeese State 20-17 in 1998, and to no. 1 Montana 38-0 in the 2001 playoffs.

The Panthers finished the decade of the '90s as the fourth-winningest 1-AA program with 89 wins, and they are 40-20 over the past five campaigns.

Title Race: The Panthers placed second in the Gateway Conference in 1997, breaking a string of seven straight shared or outright titles, tied for third in 1998, nailed down third place again in '99, placed fourth in 2000, won the title in 2001, tied for sixth in 2002, their lowest finish ever, shared the title with Southern Illinois in 2003, and placed third last season. In all, UNI has won or shared the conference title 11 times in the league's 20 seasons.

OT No Way: UNI is 2-4 in overtime games. The Panthers are 1-1 at home in OT. Two of the extra period games took place during the 1-AA playoffs, and the Panthers lost both of those contests - 27-21 at Boston University in 1993, and 44-41 at Northeast Louisiana in 1987. UNI defeated Cal Poly 29-26 in three OTs in 2002 for the last overtime contest.

Halftime Lead Speaks for Itself: UNI's double overtime loss to Western Illinois in 1997 and the 20-17 loss in overtime to McNeese State in 1998 were the only times in the decade of the '90s when the Panthers surrendered a halftime lead (UNI led 9-0 at WIU and 7-0 against MSU). Prior to that, UNI had a 53-0 regular-season record when leading at the half.

UNI led third-ranked Youngstown State on the road 17-14 at the half in 2000, but went on to fall 28-24 in the last 1:17 of the game, finishing 5-1 when leading at the half. The Panthers were 8-0 in 2001 when leading at the half, were 4-2 in 2002, 8-0 when leading at the half in 2003, and last year, they were 7-1, losing only to no. 1 Southern Illinois 40-36 after leading 26-14 at intermission. That means they are 32-4 when leading at the half since 2000.

Cutting it Close: In the history of the Gateway, UNI has more one-point wins (eight) in league games than any other league member. UNI is 8-3 in league one-point games. When the Panthers defeated Western Kentucky 24-23 in 2001 for the league championship, it marked just the second time in conference history in which there were two one-point decisions on the same day. In all, there have been 28 GFC games decided by one point.

Poll Talk: The Panthers dropped out of the Sports Network Top 25 poll for the first time in 1998 the week of October 10. They remained unranked in the Top 25 polls until being ranked 25th at the end of the regular season by both The Sports Network and ESPN/USA Today after winning five straight games to finish the season. The Panthers had been ranked in a Division 1AA poll, either the NCAA's or The Sports Network poll, since September 24, 1990, a string of 96 consecutive polls, the longest streak in the nation, until dropping out of the ESPN/USA Today poll the week of November 3, 1997.

UNI was ranked sixth in the preseason 2004 polls, its highest ranking of the year. It remained ranked for the following five weeks, eventually falling to no. 21. The Panthers then fell out of the rankings despite winning their final six games of the season before being ranked 25th by both The Sports Network and ESPN/USA Today to end the season.

Only five times since 1984 have the Panthers ended a season unranked - 1986, 1988, 1997, 1998 and 2002.

Bring 'Em On: UNI is 123-62-1 (.664) against 2005 opponents. The only teams on this year's schedule UNI has a losing record against is 1-A Iowa (1-12), Drake (17-25-1) and Western Kentucky (3-5).

Early Consideration: Several Panthers should be considered as all-America candidates, including senior tailback Terrance Freeney, senior wide receiver Justin Surrency, junior placekicker Brian Wingert, senior linebacker Brett Koebecke and junior defensive back Dre Dokes.

Returning Conference Honorees: Ten different players were named to 2004 all-conference teams, including four first team selections. Returning all-conference players include first-teamers, senior tailback Terrance Freeney and junior defensive back Dre Dokes; and second team picks, senior wide receiver Justin Surrency and senior linebacker Brett Koebecke. Freshman quarterback Eric Sanders was named Gateway Freshman of the Year and to the All-Newcomer Team, along with Koebecke being selected to the All-Newcomer Team.

Keep an Eye On: Preseason all-conference candidates should include senior tailback Terrance Freeney, sophomore quarterback Eric Sanders, senior wide receiver Justin Surrency, junior placekicker Brian Wingert, senior linebacker Brett Koebecke, defensive back Dre Dokes, senior nose tackle Kevin Stensrud, tight end Brian Cutright, and offensive center John Schabillon.

No Pressure Here!: Matt Dougherty of The Sports Network listed UNI's 2005 recruiting class as no. 1 in 1-AA. "Even with the dismissal of Arizona State transfer RB Hakim Hill, the Panthers bring in a Big 12 transfer (David Horne) to share carries with Terrance Freeney, a top JUCO QB (Dexter Hill) and freshman Patrick Grace to compete with Eric Sanders, and a pair of solid freshmen linemen (Codie Feters and Chuck Kinney)."

Dougherty also ranks Horne as 1-AA's fifth best 1-AA transfer, Hill as the fourth best JUCO transfer and Feters as the sixth best high school senior.

Record Breakers: Redshirt freshman quarterback Eric Sanders set a school record for most yards passing as a freshman with 1,307 yards in nine games. He replaced senior Tom Petrie in the starting lineup in the fifth game of the year and ended up completing 95-of-150 passes with 15 TDs and five interceptions. Sophomore Brian Wingert tied a school mark for highest percentage of field goals made under 40 yards after making all 11 attempts. Senior defensive end Beau Gibbs set a school career record with 0.4 forced fumbles per game in nine games played on defense in 2004. He came into the program as a tight end.

Weekly Honors: UNI had Gateway Players of the Week selected nine times in 2004, once by The Sports Network and five times by CollegeSportsReport.com.

NFL Bound: The Panthers have the two highest NFL picks historically in the Gateway, with center Brad Meester topping out in 2000 in the second round as the 60th pick overall. James Jones was the 57th pick overall in 1991, but in the third round, while wide receiver Dedic Ward was selected in the third round in 1997 as the 88th pick. Ty Talton was picked 137th, in the fifth round, in 1999. The Panthers had 10 active players in the NFL heading into the 2005 season at press time, including WR Eddie Berlin with the Chicago Bears, P Derrick Frost with the Cleveland Browns, FS Mike Furrey with the St. Louis Rams, TE Ryan Hannam with the Seattle Seahawks, OL Brad Meester with the Jacksonville Jaguars, S Justin Sandy with the Tennessee Titans, DB Benny Sapp with the Kansas City Chiefs, TE Andy Thorn with the Philadelphia Eagles and QB Kurt Warner with the Arizona Cardinals.

Thorn signed free agent contract in the spring.

Playing the Big Boys: UNI plays 1-A Iowa Sept. 17 in the third game of the season, the 13th meeting between these two schools. The Hawkeyes defeated UNI 66-0 in the last meeting in 1997.

The Panthers have had some success against teams designated 1-A. They are 1-0 against Ball State (2001), 0-1 against Boise State (2000), 0-1 against Bowling Green State (1947), 0-4 against Central Michigan (last game in 1970), 0-1-1 against Colorado State (last game 1926), 4-5 against Eastern Michigan (last game 1998), 1-12 against UI (last game 1997), 3-15-3 against Iowa State (lost 23-0 last season), 3-0 against Kansas State (last 1989), 0-1 against Minnesota (1987), 0-1 versus UNLV (1975), 2-1 versus Northern Illinois (last 1964), 1-0 against Ohio University (36-21 in '99), 0-2 against Oklahoma State (2002), 0-1 against Pittsburgh (1988), 4-11-2 against Western Michigan (last 1949) and 0-1 against Wyoming (1993).

Most of the success has come in the last 20 years, with an 8-13 mark against 1A teams since 1985.

The Gateway Conference has 24 1-A wins since 1985 and had at least one 1-A win every year until last season, when the league went 0-7 versus 1-A teams. This does not include a 1-2 mark against transitional 1-A teams.

Hot Out of the Shoot: UNI is 53-46-7 in season openers and 10-5 in the last 15 years. UNI lost 23-0 to 1-A Iowa State in last year's season opener. The Panthers open at home against Drake this year on Sept. 1.

Honoring Within: 2004 team awards handed out at the annual banquet included junior wide receiver Justin Surrency and senior defensive end Ryan Arnold receiving the team's MVP honors. Freshmen, wide receiver Johnny Gray and linebacker Justin Kirk, were selected scout team players of the year, while senior punter Cory Henke was named special teams MVP. Senior defensive tackle Justin Heins received the Stan Sheriff Award and senior Doug Wilkinson received the first Don Erusha Offensive Lineman of the Year Award. The team's Hammer Awards, given to the top defensive players from each segment, went to Arnold for the linemen and to senior James Idleburgh for the defensive backs. The Super Hammer Award, for the leading defensive player, went to junior linebacker Brett

Koebecke.

Turf vs. Grass: Over the past 14 years, UNI is 16-18 on natural grass, including 0-4 in 1997, 0-1 in 1998, 2-1 in 1999, 1-0 in 2000, 4-1 in 2001, 1-0 in 2002, 1-2 in 2003, and 0-1 last season after losing at Iowa State. It is 27-16 on artificial surfaces on the road. Only two of this year's games will be played on natural surfaces - at Iowa and Western Illinois.

Staff Changes: Co-defensive coordinator Bill Inge left the Panthers this past winter to take an assistant's position at Colorado. Running backs assistant Mark Moothart left to go into private business and has been replaced by Atif Austin.

Senior Good-byes: UNI said goodbye to 21 seniors at the end of the 2004 season, including tailback Lester Allen, defensive end Ryan Arnold, free safety Tom Berlin, fullback Reggie Brown, tailback Richard Carter, kicker Brad Fowler, linebacker Beau Gibbs, defensive tackle Justin Heins, corner Raishuan Henderson, punter Cory Henke, free safety James Idleburgh, linebacker Titus Ivory, strong safety Tyler Johnson, offensive guard Joe Keller, offensive tackle Walter Kelly, fullback Jim Lizzi, quarterback Tom Petrie, offensive tackle Luke Stigler, tight end Andy Thorn, linebacker Danny Triplett, and center/tackle Doug Wilkinson.

Streaking: The Panthers hold the league record for consecutive Gateway wins at 13, accomplished from 1993-95.

Good Starts: UNI and Southern Illinois each started league play at 5-0 in 2003. Counting this past season, when SIU repeated a 5-0 start, a Gateway team has started conference play 5-0 14 times, and all finished second or better in the league standings. Thirteen of the 14 teams earned playoff berths, with 13 winning the GFC title. UNI started 5-0 in 1985 and 2003, 6-0 in 1987 and '94, 5-0 in 1995 and '96, and 4-0 in 2001, and won or shared the league crown each time.

Payton Finalist: UNI tailback Terrance Freeney was named to the 2004 Walter Payton Award watch list for the second consecutive season. He later was dropped from the list after early-season injuries and illness slowed his progress.

He also was a finalist for 2003's Walter Payton Award, given to the top offensive player in 1-AA, and was named the Gateway's Newcomer of the Year.

On the Tube: With its 36-13 win over Western Illinois and the 58-6 win at Indiana State last season, UNI now has won six consecutive games on Gateway television. It now is 6-2 overall when shown on the conference package. The Panthers were televised three times last year and were 2-1 in those games. The only loss was to no. 1 Southern Illinois (40-36), a game telecast live on College Sports Television.

UNI Versus the Top 25: The Panthers own a 45-30 record over teams ranked in the 1-AA Top 25 since 1985 after losing to 13th-ranked Stephen F. Austin 24-21, no. 1 Southern Illinois 40-36 and to sixth-ranked Western

Kentucky 17-10 last year.

Non-conference Success: The Panthers went 2-2 in non-conference games last year. UNI is the only original Gateway member to win at least two non-conference games each year. The Panthers now are 89-41 against non-conference teams since 1985.

Gateway Openers: UNI now is 13-7 in Gateway Football Conference openers after losing 40-36 to no. 1 Southern Illinois last year.

GFC Ranked vs. Ranked: There have been 51 times in which two Gateway teams ranked in the top 25 played one another. The home team is 29-22, while the higher-ranked team is 28-23. Fourteen times the meeting involved teams that were both ranked in the Top 10.

UNI has played in seven of those games when the two teams have been ranked in the Top 10, and has a 4-3 record in such contests after defeating seventh-ranked Western Illinois 38-30 on the road and losing to ninth-ranked Western Kentucky, 24-3, in 2003.

The third-ranked Panthers defeated fifth-ranked Missouri State in the Dome in 1996, 38-31; no. 3 UNI defeated no. 8 Western Illinois 30-6 at home in 1996, no. 10 Illinois State defeated third-ranked UNI 47-28 in Normal, IL, and no. 9 Youngstown State defeated no. 6 UNI 29-20 in Cedar Falls in 1999.

Thank You Fans: During the 2004 season, seven Gateway teams were among the Top 47 nationally in 1-AA attendance. UNI ranked third among league teams and 28th nationally.

All-Star: Senior linebacker Danny Triplett was the only Panther selected to play in a post-season all-star game when he was chosen to play in the annual Hula Bowl. Triplett injured his knee in the seventh game against Western Illinois and eventually underwent surgery. Due to the injury, he was unable to play the rest of the season and thus declined his Hula Bowl invitation.

HOMEGROWN IN IOWA

JAMES LINDGREN (No. 83)

Wide Receiver
Odebolt, IA

"I really enjoyed growing up on a farm in rural Iowa, so staying in-state was always a great possibility, if not a priority, for me. I chose UNI over other in-state schools because I was offered an academic scholarship. I didn't know much about UNI growing up, but after visiting campus and learning about the University, I was attracted by its size, looks and friendliness. I'm glad I chose UNI, glad I decided to try my luck with football, and glad to see my home state on the front of my jersey."

CHAD RINEHART (No. 77)

Offensive Line
Boone, IA

"I wanted to go to a place where I knew that the team's goal would be to win a national championship and not just to have a winning record. I also knew that staying in state, the players would be hard workers."

TYLER RAWLINS (No. 78)

Offensive Line
Kellogg, IA

"I would have to say one of the main reasons I stayed in state and came to UNI was the tradition of excellence here. The conference championships and post-season appearances were extremely appealing. And being in state is nice as far as being close to home and family."

JOHN SCHABILION (No. 66)

Offensive Line
Bettendorf, IA

"I chose UNI because it has a tradition of winning and a commitment to hard work. At UNI, they work hard to develop the team into a family, and set high standards for their athletes."

BRIAN WINGERT (No. 49)

Kicker
Cedar Falls, IA

"I chose UNI not only because my family is here, but because I felt the people involved with the program were top notch. I felt that the staff and players on my visit seemed as if they were a family of their own and I wanted to be a part of that."

KEVIN STENSRUD #92

Defensive Tackle
Lake Mills, IA

"I chose UNI because of its tradition of dominance in the Gateway Football Conference. I am a competitor, I like to win, so I chose UNI."

COACH MARK FARLEY

MARK FARLEY

Head Football Coach (UNI '86)

Once known as the "walk on from Waukon" when he wore a Panther football uniform, Mark Farley returned to his alma mater as its head football coach when his appointment was announced in a press conference held April 3, 2001.

Now in his fifth year as the Panther mentor, Farley never has felt more at home. Through his leadership, the Panthers have returned to the glory days

when they won seven straight conference titles and made seven consecutive 1-AA playoff appearances in the decade of the '90s. In Farley's four years at the helm, UNI has advanced twice to post-season play and has won at least a share of two Gateway crowns.

"This is home to me," he said at the time of his selection as UNI's head coach. "Through football, I've been presented with great opportunities in my life and this is by far the best experience. I am so excited for this opportunity."

In his first season, Farley led the Panthers back to the 1-AA elite. UNI finished 11-3 overall in 2001, placed first in the Gateway Football Conference with a 6-1 mark, and advanced to the 1-AA national semifinals for the fifth time in school history. It was the Panthers' first conference title and playoff appearance since 1996.

During the season, UNI defeated five ranked 1-AA opponents and 1-AA opponent Ball State, which went on to defeat Motor City Bowl-bound Toledo later in the year. The Panthers finished the season ranked fourth in both The Sports Network and ESPN/USA Today final 1-AA polls.

The conference and the nation took notice. Farley was named the league's Bruce Craddock Coach of the Year and American Football Coaches Association (AFCA) Region 4 Coach of the Year. He placed third in the Eddie Robinson Award balloting, an honor given to the top 1-AA coach by The Sports Network. He received 16 first-place votes, the most of any candidate. He sits atop the Gateway Conference with the best record of all rookie coaches.

The following year did not live up to pre-season expectations following the success of 2001 as the Panthers finished 5-6 overall. Injuries, graduation and inexperience on defense took a toll.

The Panthers re-grouped in 2003 to claim a share of the conference title when it won a hard-fought, come-from-behind contest against previously undefeated and second-ranked Southern Illinois in the final regular season game. UNI went on to defeat 24th-ranked Montana State in the UNI-Dome in the first round of the playoffs, then was sent on the road to no. 3 and eventual national champion Delaware, where it fell 37-7 on a cold and snowy afternoon to finish 10-3 overall. The Panthers were ranked fifth in The Sports Network/CSTV final Top 25.

Throughout the season, UNI defeated four ranked teams and appeared on television five times. Farley again was a finalist for the Eddie Robinson Award.

When all was said and done in 2004, the Panthers were judged on their first five games, and not their final six. Despite six consecutive victories by an average margin of 23.7 points, UNI couldn't overcome a 1-4 start to begin the year. As a result, the Panthers were passed over for the 1-AA playoffs but finished on a high with a 7-4 record, including a 5-2 mark in the always tough Gateway to place third behind post-season selections Southern Illinois and Western Kentucky. Their strong finish earned them a no. 25 ranking in both The Sports Network and ESPN/USA Today final polls.

Farley grew up not far from Cedar Falls, IA, and the UNI-Dome, in a small community called Waukon. He was a three-sport standout at Waukon High School. He played quarterback his junior year and tailback his senior year, while also seeing time at strong safety. He was a forward on the basketball team (all-conference two years) and a pitcher and short stop for the baseball team (all-conference three years). Despite his success, he wasn't highly recruited and he took a year off before pursuing his college degree.

His job as a truck driver brought him through Cedar Falls each Monday. He'd drop into the UNI-Dome to check out the Panther football team. In the fall of 1982, he walked on to the team, redshirting that first season. He received the Special Team Award his second year, then became a starting inside linebacker three years. He earned honorable mention all-America honors twice, was named Gateway Conference co-Defensive Player of the Year, was selected a team co-captain, and was named a two-time academic all-American. He led the team in tackles three consecutive years.

During Farley's three years as a starter, UNI compiled a 27-7-1 record and advanced to the 1985 1-AA semifinals.

"When I came (for the interview), I wanted to stop back (in the Dome)," Farley said. "I came to the doors and I stood on that balcony on the concourse. I just wanted to get that energy from the Dome, because there's still something about this place. I looked at the banners and remembered the players that were here. We can be proud of this university in football."

Farley went straight from a player to a graduate assistant for two years under Coach Darrell Mudra and then was elevated to a full-time assistant. Between 1987-96, he was the position coach for such former UNI stars as Bryce Paup, James Jones, William Freeney and Andre Allen. Paup and Jones went on to play in the NFL, of course, while Allen and Freeney played in the Arena League and CFL. Four times Farley's players were named league Defensive Players of the Year.

In total, he coached five UNI all-Americans and 22 all-conference selections the first time around on staff. He also was the punt return specialist. That segment had a NCAA average ranking of sixth from 1989-1993, with two second-place statistical rankings. He also served as the team's Strength and Speed Coordinator. He was a Certified Strength and Conditioning Specialist and a Certified Level 1 Coach of the U.S. Weightlifting Federation. He designed and coordinated the reconstruction of UNI's strength facility and implemented individualized computer weight training programs.

With the success of individual players, the Panther program grew into a national power under Mudra and then, Terry Allen. As previously mentioned, UNI won seven consecutive Gateway titles, and made seven straight 1-AA playoff appearances between 1990-96, eight total, including advancing to two semi-final games. The Dome was packed with several sellouts.

In an interview following Farley's hiring, Mudra, a former head coach at

fact they're pretty good

COACH MARK FARLEY

Florida State, now retired and living in Florida, said, "I had three helpers who went on to become NFL head coaches. Farley is as good as any coaching prospect I worked with. I just feel like (UNI) couldn't have hired a better guy. He's a perfect fit for that situation. I think he's bright - real bright. Probably the most important thing is, he's really involved in football. If you cut his head open, nothing would come out but footballs. He's real intense."

Jones, a 1991 NFL third-round pick by the Cleveland Browns, said of Farley in a post-hire interview, "He makes athletes get the most out of themselves. One thing all of us under him did was work hard. That's the way he coached it, and that's what he expected out of you. He was just one of those coaches you wanted to go out there and play your hardest for. He'll probably still have (that) energy when he's 65. That's just Coach Farley."

When Terry Allen left the Panthers in 1997 to become head coach at the University of Kansas, Farley was one of UNI's assistants to follow. Farley was the Jayhawks' inside and outside linebacker coach. In Lawrence, he coached two all-Big 12 players, one all-American and five Players of the Week. He produced the KU all-time sack leader for season and career and recruited the 1999 Big 12 Newcomer of the Year. He was rated one of the top recruiters in the Midwest by MoKan Recruiting Service. He also assisted with the punt return and block specialists. His players blocked or returned a punt for a touchdown against 11 of the league teams at least once.

UNI assistant Rob Bolks coached Farley as a prep and rejoined him on KU's staff before coming back to Cedar Falls.

"In my opinion, (Farley) was the best recruiter we had at Kansas," he said in an interview prior to being re-hired at UNI. "In a way, he was like a bulldog, he did such a thorough job recruiting kids."

At the press conference announcing Farley's appointment, UNI Director of Athletics Rick Hartzell, himself a UNI alum, said, "It took me about an hour to find out what all of you knew a long time ago. Before it was over, we both had tears in our eyes about what (UNI) means to us. There are a whole lot of Panthers out there in the world that are really proud today."

Having worked under, or played for, three of the best football minds in Mudra, Earle Bruce and Allen, there's little doubt Farley knows football. However, it's also his passion, not only for the game, but for the University of Northern Iowa, that after just one season helped carry the Panthers back to the top of 1-AA football, something which hadn't been accomplished the previous four years.

"This program is not broken," Farley said upon his appointment. "(The previous staff did) a good job... We just want to take it a step higher, raise the bar to our expectations at the University of Northern Iowa. We want to win the Gateway - we WILL win the Gateway... People are scared to come in (the UNI-Dome). We want to fill this place. You don't know how exciting it was as a player and as a coach with 16,000 people, keys ringing all the time on kickoffs. That's neat. I love it when the opposing team stands at that doorway down there and that is all happening."

COACH MARK FARLEY

"I want our players to feel that because that is a special feeling, and that is why we're here and that's what we're after to achieve, because if you win the Gateway, you can win the national championship. That's how tough this conference is."

Farley also is a players' coach, a coach willing to listen to his players, but who also sets high standards for his team. He set the tone in his first meeting with the squad.

"The first thing that we talked about was this program," he said. "This program is the most important thing. It was here before we were here, and it will be here after we leave. Right now, we represent this program and this university. We represent the community, we represent the state, and we will do everything that we can to put UNI football at the level we're proud of and always have been at this university. This place is important to alumni, just as it is to me."

What the High School Coaches are Saying...

DAVE ARNS - Waverly (IA)-Shell Rock High School

"The greatest example of the 'power of pride' that I have seen in many years is what happened to the UNI football team when Coach Farley returned. Yes, he hired a good staff and has recruited well, but the return of Panther Pride to the Dome has been his most notable mark."

PAUL JAMES - Washington High School (Cedar Rapids, IA)

"It appears that Coach Farley and his staff have the UNI football program on track to be consistently among the nation's elite in Division 1-AA. It's just a matter of time and we'll see the Panthers battling in the national championship game."

PAT MITCHELL - Cedar Falls (IA) High School

"Coach Farley's teams are always very organized, in top shape, enthusiastic, and play with great passion. The coaches have a sincere and dedicated desire to help the total student-athlete to excel."

RANDY SCOTT - Bettendorf (IA) High School

"Mark and his staff have done an outstanding job of promoting the game of football in the state of Iowa to all of its high schools, players and coaches. The commitment and dedication is easily seen to maintain and improve a quality program."

ED THOMAS - Aplington-Parkersburg (IA) High School

"Coach Farley and his staff are first class and professionals in the recruitment process, and how their players are treated within the program. They do an excellent job of developing their players both on the football field and helping them educationally to obtain their degree. The UNI staff has high expectations of their student-athletes, both on and off the field, and expects them to be gentlemen representing the University of Northern Iowa."

"We have had a number of our players play for the Panthers and they have had a great experience. Coach Farley and his staff have made the Iowa high school players the foundation of the UNI program."

KEN WINKLER - Executive Secretary, Iowa Football Coaches Association, West Marshall (IA) High School

"Mark Farley has revived the proud tradition that surrounds the Panther football program. Energetic and competitive, Coach Farley has an enthusiastic passion for football with a strong commitment to academics. His continuing commitment to excellence includes solid values, high character and a dedication to hard work. He is a member of, and a strong supporter of, the Iowa Football Coaches Association."

DR. ROBERT KOOB - President, University of Northern Iowa

"Coach Farley's affable demeanor, commitment to student, as well as athletic success, and his intense competitive spirit make him a great asset to UNI."

RICK HARTZELL - Director of Athletics, University of Northern Iowa

"I continue to be impressed by the job that Mark is doing to rebuild our football program into the type of program that has the potential to be a championship caliber team every year. He is building with Iowa and mid-west student-athletes as the base and he has re-established the quality relationships necessary with high school coaches. He cares so much about UNI and this head-coaching job and he has done everything he can to help this athletic department by being a 'team' player. He is great to work with, has a huge work ethic and he cares about football players as people. We could not ask for more."

TERRY ALLEN - Associate Head Football Coach, Iowa State University (former UNI, Kansas head coach)

"Mark Farley coaches in the same manner in which he went from being a walk on to becoming the Gateway Football Conference Defensive Player of the Year, which is a cross between great dedication and unbelievable determination. I truly believe you see those qualities come shining through when you watch a Farley-coached team."

BILL SALMON **Associate Head Coach/ Offensive Coordinator/ Wide Receivers (UNI '72)**

Head coach Mark Farley isn't the only member of UNI's coaching staff that has returned home to his roots. Bill Salmon is a native of Cedar Falls, a

graduate of Cedar Falls High School, and a UNI football alum.

Highly regarded as one of UNI's best quarterbacks ever, Salmon (SAHL-mun) rejoined the Panther staff in 2001 as Associate Head Coach, Offensive Coordinator and assistant in charge of the wide receivers. He spent the previous four years as the Offensive Coordinator, and running backs coach his final two years, at the University of Kansas.

"It's still UNI," he said upon his return to the Cedar Valley. "Still football. Still people I know. It's easy. This is home."

Salmon started three years at quarterback (1973-75) for the Panthers and was known for his excellent throwing arm, quick release, great quickness, speed, football knowledge (he called about 75 percent of his own plays), and was superb at running the Panther veer attack. He ran as good as any running back, and was not afraid to do so.

He was a third team all-America selection and North Central Conference Offensive Player of the Year following his senior campaign when he led UNI to the NCAA Division II playoffs. He set a multitude of school records, including throwing for 4,342 regular season career yards and gaining 5,371 yards in total offense. He was drafted in the 10th round by the Minnesota Vikings, but an off-season knee injury ended his playing career.

Former UNI Athletics Director and head football coach, Stan Sheriff, called Salmon "the greatest and smartest quarterback I've ever coached. He can throw the ball a mile, runs like any back and could even kick if we asked him to. I've never seen a quarterback with as much talent, confidence, poise and knowledge as Bill Salmon has. But it's his take-charge attitude and game-breaking capabilities which really makes him great."

Salmon first served as a UNI assistant from 1983-96, coaching the wide receivers and running backs. He was Farley's first appointee when he was hired at UNI as head coach.

"Trust is the no. 1 reason," Farley has said when describing why he wanted Salmon on his staff. "I was a defensive coach and I wanted someone I could turn the offense over to, and let them control that phase of the game."

Widely known as a throwing team in the past, Salmon somewhat shifted UNI's focus in 2001 from the pass to the run because of the talent available. The Panthers averaged 289.5 passing yards and 149.5 yards rushing in Coach Mike Dunbar's last year at the helm. In 2001, the Panthers averaged 164.9 yards passing and 191.4 yards on the ground. The trend has continued over the past three years, with UNI averaging 186.2 yards passing and 203.7 yards rushing in 2004.

The Panthers placed fifth in the Gateway last season in pass offense, second in pass efficiency, third in rushing offense, and third in total offense.

Salmon now has coached 16 Panther all-conference selections, four all-Americans and five wide receivers who have gone on to play in the NFL, including wide receiver Dedric Ward, who was a third-round selection in the 1998 NFL draft by the New York Jets.

His wife's name is Kim. He was born Jan. 27, 1954, in Des Moines, IA. He graduated from Cedar Falls (IA) High School in 1972, where he was an all-conference, all-district and all-state selection and a team MVP.

D.J. VOKOLEK **Assistant Head Coach/ Defensive Coordinator/ Linebackers** **(Nebraska-Kearney '92)**

D.J. "Dennis" Vokolek was named assistant head coach and in charge of the linebackers in March of 2003. He took on the additional responsibilities of co-defensive coordinator last

season and will handle the coordinatorship role on his own this fall.

The Panthers ranked second in the conference in turnover margin, rush defense, scoring defense and total defense, and third in pass defense in 2004.

Since 2000, Vokolek had been the defensive coordinator at the University of Nebraska-Omaha. The 2000 defensive unit finished first in the North Central Conference in total defense when the team won the league title and participated in the NCAA Division II playoffs. The 2001 team also advanced to the playoffs.

From 1997-99, Vokolek coached the linebackers and served as academic coordinator at UNO. The 1998 defensive segment finished second in the league in total defense and was first against the run. That squad also advanced to the playoffs.

He has coached four all-conference and all-American linebackers at the Division II level, including one currently playing in the NFL.

Between 1993-95, Vokolek was a graduate assistant at UNO. He spent the 1996 season as the defensive secondary assistant and recruiting coordinator at Wayne State College. He also was a physical education instructor at both UNO and Wayne State beginning in 1994.

Vokolek was a three-year team captain as a defensive back and linebacker at Nebraska-Kearney, earning all-Nebraska NCAA II honors each year. He earned his Bachelor of Science degree in Biology in 1992 from Kearney and his master's in Physical Education from UNO in 1996. He and his wife, Pam, have two children - son, Travis, and daughter, Leah.

In just two years at UNI, he has coached two all-conference picks, including Jonathan Harrell, a free agent pick by the Carolina Panthers in 2003, and Brett Koebecke, a second team all-conference choice who also was named to the Gateway's All-Newcomer Team in 2004.

The Panthers ranked 15th in 1-AA last season in rushing defense, 43rd in pass efficiency defense, 15th in total defense, 12th in scoring defense, 53rd in pass defense, and eighth in turnover margin.

ASSISTANT COACHES

ROBERT "ROB" BOLKS Defensive Secondary/ Recruiting Coordinator (Iowa State '74)

A key ingredient in UNI's past successes on the field and the team's recent resurgence is the passion and vested interest in the Panther program by the coaching staff. One more ingredient to that mix was added four winters ago with the re-hiring of Rob Bolks as a secondary assistant. He assumed the

additional duties of Recruiting Coordinator in the spring of 2003.

Bolks returned to UNI after previously serving the Panthers as a defensive backfield aid and recruiting coordinator from 1985-88. During that tenure, the Panthers earned Gateway Conference titles in 1985 and '87, when they reached the national semi-finals. UNI was ranked fourth in the final 1-AA poll those years. During those four campaigns, UNI recorded a 33-15-1 record.

Prior to being re-appointed to the UNI staff, Bolks was Director of Football Operations at Kansas under former UNI mentor Terry Allen beginning in 1998. He spent the 1997 season as Defensive Coordinator and secondary coach at Northern University High School in Cedar Falls, and prior to that, was Defensive Coordinator and secondary assistant at Idaho State University from 1994-96.

Additional experience has included serving as linebacker assistant at Western Illinois from 1992-94, graduate assistant and linebacker coach at Vanderbilt for the 1991 season, defensive backfield coach in 1989 at Murray State, and head coach briefly in 1985 at Butler County Community College after serving as Defensive Coordinator and secondary coach there beginning in 1983.

He also was an assistant at Independence Community College from 1981-82 and at Highland Community College in 1980. From 1977-79, he was head coach at Allamakee Community High School in Waukon, IA, where he coached Mark Farley as a prep.

Bolks has coached 15 players who have gone on to play in the NFL. Besides coaching Farley in high school, he has coached such former UNI standouts as Eddie Grimes, James McFadden, Al Speicher and Cedric Hill while they played at Independence; and Butler County 1985 UNI signees Pat Bullock, Keith Majors and Kevin Pew.

Bolks served as a graduate assistant at his alma mater, Iowa State, from 1974-77 under Earle Bruce. He played defensive back for the Cyclones, including in the 1971 Sun Bowl and in the 1972 Liberty Bowl under Head Coach Johnny Majors. He earned five letters total at ISU, two in football and three in track. He graduated from ISU in 1974.

Bolks was born May 16, 1952, in Sioux City, IA. He's a 1970 graduate of Boyden-Hull High School in Hull, IA. He earned 15 varsity letters there in four sports and was a two-time state champion hurdler. He is married to the former Lori Shaner of La Porte City, IA.

Free safety Justin Sandy received second team all-conference honors in 2002 under Bolks' tutelage and currently is on the Tennessee Titan roster, while strong safety Jarvis Phillips was named honorable mention all-conference and to the Gateway's All-Newcomer Team. Sandy and corner Benny Sapp both were first team selections in 2003 and signed NFL free agent contracts, while freshman Dre Dokes was a second team choice. Sapp is playing for the Kansas City Chiefs. Dokes was a first team all-conference selection and a second team All-West Region choice by Don Hansen last season.

Sophomore Dre Dokes was named first team all-conference and second team All-West Region in 2004 after leading the team in interceptions with four for the second consecutive year.

ASSISTANT COACHES

ATIF AUSTIN Running Backs (Iowa State '03)

Atif (ah-TEEF) Austin is in his first year as running backs coach with the Panthers. He was hired at the start of spring drills, replacing Mark Moothart, who resigned to enter private business.

Austin served as a graduate assistant at Southwest Minnesota State University the previous two seasons, the first working with the secondary and the last aiding with the inside

linebackers. Additional duties included helping with athlete strength and conditioning during the season, video coordination, breaking down of game film, and recruiting.

A native of Tarpon Springs, FL, Austin was a four-year starter as a defensive back at Iowa State University from 1998-2002. He received honorable mention All-Big 12 honors by The Associated Press in 2001 and was presented the 2002 Reuben J. Miller Award, given to the player whose conduct on and off the field has brought honor to ISU. He redshirted in 1998, then compiled 173 career tackles, including 146 solos and 27 assisted stops. He also was credited with 33 pass deflections and two interceptions.

As a senior, he was voted the team's defensive MVP against Florida State when he tallied five tackles, including four solos. He started 10 games in 2001, finishing the year ninth on the squad with 55 total stops and leading the team with 10 breakups. He started the last nine games in 1999 and was moved from running back to cornerback when he earned a spot in the two-deep heading into fall practice.

Austin rushed for 1,995 yards and 16 TDs as a senior at Tarpon Springs. He was invited to play in the Florida-Georgia All-Star Game and was selected for the Palms/Pinellas County All-Star game. He was named Pinellas County's Extraordinary Athlete of the Year in 1997 and to the Super 24 squad. He was a first team all-state selection and earned Pinellas County's and the North Conference Player of the Year Award.

In addition, he was one of two athletes honored with the Rickey Bell Award for student-athletes in the Tampa area. He was voted MVP and offensive MVP by his teammates as a senior. He played tailback, quarterback, cornerback and wide receiver and also participated in wrestling and track, competing in the high jump, 400m, 4x400 and 4x100 relays.

Austin majored in Sociology and Exercise and Sport Science at ISU and earned his master's in Leadership and Education from Southwest Minnesota in January. He was a four-year Honor Roll recipient as a prep. He was a member of Citizens Alliance for Progress, an organization that acknowledges strong academic performance.

He was born Nov. 23, 1978, in Tampa, FL. He and his wife, Tori, are the parents of Djoni, 8, and Amni, 3.

RICK NELSON

**Offensive Line
(UNI '83)**

Rick Nelson is the third former Panther player on this year's staff. He was re-hired in February of 2000 as offensive line coach.

Nelson was a two-year letterman for UNI as an offensive lineman when he played from 1980-83. He received his bachelor's degree in 1984 and served as the Panthers' Strength and Conditioning coach and graduate assistant for two years before

going to Garden City Community College as offensive coordinator and strength coach. The Bronco Busters placed second in the Jayhawk Conference in 1987 and captured the title in 1988.

From Garden City, Nelson moved on to Gateway Conference-foe Missouri State, serving as offensive line coach from 1989-99. He was head football coach and physical education instructor at Woodward High School in Woodward, OK, in 1999.

While playing for the Panthers, Nelson was a member of the 1984 and '85 conference championship teams which advanced to the 1-AA playoffs. At MSU, he was a member of a staff that broke 35 offensive records. He coached four Bear offensive linemen who signed with the NFL. Six of his MSU players were named all-American, 20 were named all-conference, four were selected Academic All-Americans, and two were named to the Gateway Conference All-Decade Team. Two of the MSU teams won consecutive conference titles and advanced to the 1-AA playoffs during his tenure.

Nelson has coached nine linemen who have gone on to play in the NFL, eight all-conference selections and three all-Americans at UNI, including Ben Deike, who was named a first team College Sports Report.com all-American, second team by the Associated Press and The Sports Network, in 2003. Luke Stigler was a first team all-conference pick last year. Brad Harms was an NFL free agent in 2000.

Nelson received UNI's "Oil Can Award" in 1983, given by the coaches to the player showing ability, performance, attitude and leadership. As a prep at Urbandale (IA) High School, he was selected to the Iowa High School Boys Athletic Association All-State Football Team, Central Iowa All-Conference, and Urbandale's MVP in 1978.

He and his wife, Jamie, have two children - Nick, 20, who joined the Panther squad last fall, and Wes, 16.

UNI's line in 2004 helped produce a 1,000-yard rusher for the fourth consecutive year in Terrance Freeney, who gained 1,100 yards.

ASSISTANT COACHES

MARIO VERDUZCO

**Quarterbacks
(San Jose State '88)**

When first-year head coach Mark Farley went looking for a quarterbacks coach, he couldn't have landed a better technician than Mario Verduzco.

Verduzco spent five years (1996-2000) working with the signal callers and as recruiting coordinator at Rutgers University in Piscataway, NJ, the last season as head quarterbacks coach.

During his tenure at Rutgers, he developed what has been described as one of the best Quarterback Schools in the country, when young players from around the country spent four days learning the skills, both mentally and physically, of quarterbacking.

His prize pupil, Rutgers quarterback Mike McMahon, quarterbacked the Detroit Lions and is a former Quarterback School participant. In total, he has coached four quarterbacks who have gone on to play in the NFL. Added to the list is UNI's Tom Petrie, who had tryouts with the Washington Redskins and the Buffalo Bills this spring.

Verduzco himself learned the trade from the best, working under head coach Terry Shea at San Jose State and at Rutgers. Shea has moved on to coach in the NFL.

Prior to being named at Rutgers, Verduzco was associate head coach, Offensive Coordinator, and quarterbacks and receivers coach at De Anza College in Cupertino, CA, beginning in 1991, moving up to head coach from 1994-95. While coaching at De Anza, he spent time with arguably one of the best NFL coaches in history as both Bill Walsh and his mentor, Shea, conducted a private NFL quarterback camp at De Anza.

Verduzco began his coaching career at Soquel (CA) High School in 1977 before moving on to Gavilan College as Offensive Coordinator and quarterbacks and receivers coach in 1987. From 1990-91, he served as graduate coach at San Jose State before moving on to De Anza.

The cousin of former Illinois and British Columbia record-setting quarterback Jason Verduzco and uncle of former Yale quarterback Bobby Verduzco, he graduated from San Jose State in 1988 with a degree in Human Performance. He received his master's in Biomechanics and Exercise Physiology from SJS in 1990. That's when he authored the book "Quarterbacks Born or Made? The Biomechanics of the quarterback position: An integrative approach".

Upon his appointment at UNI, Verduzco said, "I think (the Panther quarterbacks) have enjoyed having me come in. I don't know a lot of things, but I know three things - there is a God, I'm not God, and the best thing there is in the world is coaching quarterbacks."

Farley said, "Mario coaches quarterbacks like I coach linebackers. He's real detailed. He's in-depth about angles."

Verduzco's tutelage paid off big time in 2001. UNI true freshman quarterback Petrie was named the Gateway Conference's Freshman of the Year and to the league's All-Newcomer Team. He passed for over 2,300 yards in 2003 and was ranked 23rd in the nation in efficiency. His 18 TDs with just seven interceptions helped UNI finish first in the Gateway in turnover margin. After Petrie sustained a season-ending injury in the team's fourth game of the year last season, redshirt freshman Eric Sanders took over the role and was named the league's Freshman of the Year when it all was over. He completed 95-of-150 passes for 1,307 yards, setting a school freshman record, and seven TDs.

Verduzco was born on May 23 in Pittsburg, CA. His wife's name is Cate and the couple has a 10-year-old son, Charles.

ERIK CHINANDER

**Tight Ends
(Iowa '03)**

Erik Chinander joined the Panther staff last fall and has aided in the coaching of the tight ends, along with the defensive and special teams scout units. With the help of his tutelage, UNI tight end Andy Thorn, an honorable mention all-conference choice, signed a free agent contract with the

Philadelphia Eagles in April.

This past academic year he also was an assistant at Ellsworth Community College, coaching the offensive and defensive lines. In just one year, he coached three first team and one honorable mention all-region players. He also coordinated the in and out of season strength and conditioning programs for the football and men's and women's basketball teams. At the same time, he was Assistant Director of Housing.

He also served an internship in the Carver Hawkeye Weight Room at Iowa in the summer of 2003, assisting in implementing workouts for the Olympic Sports and designing a strength program for the swimming team.

Chinander received his Bachelor's degree in Health Leisure and Sports Studies and History from the University of Iowa in 2003. He played on the Hawkeye offensive line from 1998-2003 and was honored with the Hawkeye Offensive Team Leader Award in 2003. He played on the 2002 and '03 Orange Bowl teams.

UNI FOOTBALL 2004 REVIEW

Panthers facing up to t

2004 SEASON REVIEW

The Wrap

When all was said and done, UNI's 2004 football team was judged on its first five games, and not its final six. Despite six consecutive victories by an average margin of 23.7 points, the Panthers couldn't overcome a 1-4 start to begin the year. As a result, the Panthers were passed over for the 1-AA playoffs but finished on a high note with a 7-4 record, including a 5-2 mark in the always tough Gateway Football Conference to place third behind playoff selections Southern Illinois and Western Kentucky.

The season began with high expectations following a 1-AA quarterfinal appearance in 2003 and the return of a majority of the offensive stars from that 10-3 team. What was thought to be an early-season weakness - the defense - turned out to be a strength in the early going despite losing four games in the first five outings. The offense struggled in the early going due to injuries and took a primary hit when fifth-year starting quarterback Tom Petrie was lost for the season in the fourth game of the year due to a broken clavicle.

The campaign began with a 23-0 shutout from the hands of 1-A Iowa State. The Panthers rebounded with a 40-0 shutout of their own over Division II Minnesota State. The next three games were against ranked 1-AA opponents. All resulted in losses in the final minutes or possessions of the contests - losing 24-21 to 13th-ranked Stephen F. Austin, 40-36 to no. 1 ranked Southern Illinois to open the Gateway Conference portion of the schedule, and 17-10 to sixth-ranked Western Kentucky. UNI then won the last six games of the season, including defeating Indiana State on the road in the Gateway TV Game of the Week 58-6, and downing 2003 playoff participant, Northern Arizona, 41-25 on the road to end the year.

The season also was highlighted by the emergence of several newcomers who will contribute greatly in the years to come. Redshirt freshman quarterback Eric Sanders stepped in for the injured Petrie and went 6-1 as the starter, culminating in his selection as the Gateway Football Conference's Freshman of the Year. Petrie had received that honor following his freshman campaign.

Junior linebacker Brett Koebeke was the team's leading tackler in his first season wearing the Purple and Gold and was named to the league's

All-Newcomer Team. Junior wide receiver Justin Surrency stepped to the forefront after playing in the shadows his previous two seasons, finishing as the team's leading receiver and earning second team all-conference honors.

"The season was rewarding in the fact that the team found a way to find that second gear when we were 1-4," Panther head coach Mark Farley said. "They found that second gear to push ahead. All the credit goes to that group of players and that group of coaches who got the guys in the hunt to battle for the playoffs...I felt we did everything we could do to put ourselves in that picture at the end. I'm very proud of how our players pulled themselves back into the season."

1,000-Yard Man

Junior running back Terrance Freeney became the 16th runner in school history to gain at least 1,000 yards rushing when he compiled 101 yards in UNI's final game at Northern Arizona. He finished the season with 1,100 yards and seven TDs on 244 carries, ranking 10th on UNI's all-time leaders chart for yards in a season. His 1,261 yards gained in 2003 ranks second. He had a season-high 236 yards rushing against Western Illinois, which ranks seventh on the single-game chart. He rushed for at least 100 yards in four games.

Heins Goes Out in Style

Senior defensive tackle Justin Heins ended his collegiate career in style at Northern Arizona when he recovered two fumbles and had his first career interception. His swipe was just the second by a lineman in 2004, the first being by junior tackle Kevin Stensrud.

Idleburgh Stepped in Front

Amongst the seven turnovers gained by UNI in its final game at Northern Arizona were two interceptions by senior free safety James Idleburgh. The second interception was returned 47 yards for a TD, giving UNI a 38-21 lead with 4:13 left in the game. These were Idleburgh's only interceptions of his UNI two-year career.

2004 SEASON REVIEW

Career Buster

Senior tight end Andy Thorn caught a career-high seven passes for 75 yards with a long catch of 32 and three TDs of eight, 13 and nine yards at Northern Arizona.

Record Buster

Redshirt freshman quarterback Eric Sanders set a school freshman record for passing yards in a season after completing 16-of-27 passes with no interceptions for 198 yards and three TDs in the last game at Northern Arizona. He finished the year with a 6-1 record as the starter and completed 95-of-150 passes with just five interceptions for 1,307 yards and 15 TDs, an efficiency rating of 162.86. He was just the second freshman dating back to at least 1949 to start for the Panthers at quarterback Tom Petrie was the first.

Numbers Tell the Story

After starting the season 1-4, the Panthers became a team on a mission. UNI handed Illinois State its most lopsided loss of the season, 41-14. Its 58-6 defeat of Indiana State is its largest margin of victory over a Gateway Conference foe and the largest victory margin ever over a 1-AA opponent. In its six straight wins to conclude the season, UNI outscored opponents 228-74, including 138-32 in the first half, and 104-16 in the first quarter.

Gaining the Turnovers

Another reason for UNI's success was the ability to gain the turnovers. Though UNI was not turning the ball over earlier in the season, it also was not getting the turnovers. However, in the last six games, the Panthers turned the ball over just six times, but gained 18 turnovers, including seven in the final game at Northern Arizona. UNI finished the year ranked eighth in 1-AA in turnover margin and was tied for first in turnovers lost with just 12.

Close Enough?

UNI lost by just 37 points total in its four losses, including 23 to 1-A Iowa State. Discounting that game, UNI lost three games by just 14 points total. Thus, the Panthers were 1-3 in games decided by seven or fewer points after defeating Youngstown State 22-20.

Seniors

UNI said good-bye to 21 seniors in 2004. They included tailback Lester Allen, defensive end Ryan Arnold, free safety Tom Berlin, fullback Reggie Brown, tailback Richard Carter, kicker Brad Fowler, linebacker Beau Gibbs, defensive tackle Justin Heins, corner Raishaun Henderson, punter Cory Henke, free safety James Idleburgh, linebacker Titus Ivory, strong safety Tyler Johnson, offensive guard Joe Keller, offensive tackle Walter Kelly, fullback Jim Lizzi, quarterback Tom Petrie, offensive tackle Luke Stigler, tight end Andy Thorn, linebacker Danny Triplett, and center Doug Wilkinson.

Wingert Made His Mark

Sophomore kicker Brian Wingert finished the year ranked no. 3 in 1-AA in field goals after being ranked first at one point earlier in the year. He ranks first amongst active career 1-AA leaders by percentage, having made 27-of-33 (.818) in 20 games played, and is second in career field goals made per game. In 2004, he made 14-of-18 field goals with a long of 44 and kicked the game-winning 31-yarder in UNI's 22-20 win at Youngstown State with no time left on the clock.

Danny Triplett

Young Blood

The UNI depth chart showed eight freshmen amongst the two-deep throughout the season, including true freshman Clifford Waters at free safety.

Triplett Chosen for Hula Bowl

Senior linebacker Danny Triplett was selected to play in the annual Hula Bowl but he injured his knee in the seventh game of the season against Western Illinois, underwent surgery, and was unable to accept the Hula Bowl invitation.

2004 GAME-BY-GAME

UNI 0
Iowa State 23

Sept. 4 • Ames, IA • 42,865

Iowa State's seasoned defense was better than UNI's veteran offense. The Cyclones' win snapped a 10-game losing streak. UNI struggled all afternoon moving the ball, gaining just seven first downs to ISU's 27. The Cyclones held almost a 16-minute edge in time of possession. UNI's lackluster performance on offense forced its defense to remain on the field for 84 plays on a hot and humid afternoon.

UNI senior signal caller Tom Petrie completed just eight-of-19 passes for 66 yards to a relatively inexperienced receiving corp. Walter Payton Award candidate, junior tailback Terrance Freeney could muster just a 1.8 average on 13 carries for 24 yards, while senior Richard Carter rushed seven times for only 12 yards.

ISU broke a scoreless first quarter on a 37-yard field goal by Brian Jansen with 12:49 left in the second period and led 17-0 at the half after adding a 23-yard TD pass from sophomore Austin Flynn to Todd Blythe. Freshman Bret Meyer, who started the game, capped off the half with a three-yard scoring pass to Jon Davis. The final margin came with 14:04 left in the game when Tony Johnson scored from one yard out.

At the end of the day, UNI gained just 99 yards on 36 rushing and 63 passing and allowed 378 yards, including 202 on the ground. ISU's Stevie Hicks picked up 111 of those yards on 23 carries.

UNI was led defensively by senior safety Tyler Johnson with 12 total stops, including seven solos.

It was the first Panther shutout since the final game of the 2001 season when Montana defeated UNI 38-0 in the 1-AA playoff semifinals. It was the fourth straight loss to ISU. Before that, the Panthers had won two consecutive games, in 1992 and '94.

UNI 40

Sept. 11 • Cedar Falls, IA • 7,058

UNI was able to jump out to an early 17-0 lead by the end of the first quarter, scoring on its first four drives, and went on to defeat Division II Minnesota State. On the fifth play of the first drive, senior tight end Andy Thorn caught a 34-yard TD pass from senior Tom Petrie.

The Mavericks were held to three-of-15 third-down conversions and 124 yards in total offense, including just 29 rushing and 95 passing. UNI converted 13-of-21 third downs and compiled 549 total yards, including 328 rushing and 221 passing.

Petrie led the Panthers with 16-of-26 passing for 201 yards and three TDs, while redshirt freshman Eric Sanders, in his first collegiate action, was three-of-five passing for 20 yards. He also scored on a one-yard run with 1:11 left in the game. Thorn caught just two passes total on the day, but both went for TDs, the second a 54-yarder with 13:19 left in the half which put UNI up 24-0. Junior Justin Surrency led UNI with four catches for 35 yards.

Senior fullback/tailback Jim Lizzi rushed a career-high 26 times for 145 yards. Junior tailback Terrance Freeney added 17 carries for 103 yards. Sophomore Brian Wingert made all four field goal attempts from 30, 25, 43 and 36 yards and all three PATs attempted, while senior Brad Fowler made just his third PAT of his career on the last TD. UNI's other score came on a seven-yard reception by sophomore James Lindgren, the first of his career.

Defensively, the Panthers were led by senior linebacker Titus Ivory with three solo and three assisted tackles and one tackle for loss.

This was UNI's first shutout since defeating Division II Northern Michigan 62-0 in the second game of 2003.

2004 GAME-BY-GAME

Stephen F. Austin 24
UNI 21

Sept. 18 • Cedar Falls, IA • 11,957

UNI fought back in the closing five minutes before falling to 13th-ranked Stephen F. Austin. A hard-fought game on both sides, the score was 0-0 at the end of the first quarter. SFA's Derek Farmer completed a four-yard run at the 13:11 mark of the second period to put the Lumberjacks on the scoreboard first. Farmer finished the night with 71 total yards on 21 carries. SFA scored again with 6:02 left in the half thanks to a Michael Motte 12-yard reception from quarterback Michael Williams.

The Panthers answered on their sixth drive when junior wide receiver Justin Surrency caught a 19-yard pass from Tom Petrie with 1:28 remaining before intermission and the score at the break was 14-7.

Surrency tied the game on a 26-yard reception with 7:15 left in the third quarter, but SFA scored 10 more points on a 41-yard field goal and an eight-yard reception by Farmer with 5:45 left in the game. UNI drove 80 yards, culminating in a one-yard run by Petrie to pull the Panthers within three with 4:20 left. After stopping the 'Jacks, UNI got the ball back with 2:27 left, but the drive stalled on four incomplete passes and a penalty.

The Panthers had 290 passing yards on 22-of-37 passing by Petrie but again struggled in the ground game, gaining just 77 yards. Richard Carter led UNI with 50 yards on 12 carries. Walter Payton Award candidate Terrance Freeney gained just 14 yards on 10 attempts after sustaining a thigh contusion in the first quarter. Surrency led all receivers with a career-high nine catches for a personal-best 156 yards.

SFA was 17-of-26 passing for 225 yards and gained 132 yards rushing.

Justin Surrency led UNI with a career-high nine catches.

UNI 36
Southern Illinois 40

Oct. 2 • Carbondale, IL • 12,326

UNI lost more than just a football game in its 40-36 loss at no. 1-ranked Southern Illinois. It also lost four-year starting quarterback Tom Petrie to a fractured left clavicle with about 10 minutes left in the game.

The game almost was a repeat performance from last year's Gateway Conference showdown, except with opposite results. This time around, the Salukis came back from a 20-0 deficit to defeat the 15th-ranked Panthers.

UNI took advantage of Saluki miscues early, jumping out to a 20-0 lead with 8:21 left in the first half. Sophomore Dre Dokes picked off UNI's first interception of the season, returning it 95 yards to put the Panthers up 7-0 at the 8:12 mark of the first quarter. Senior safety Tyler Johnson recovered an SIU fumble and returned it to the 36. Three minutes later, Petrie scored on a two-yard run following an SIU pass interference call in the end zone. Petrie connected with Justin Surrency for a 23-yard TD reception to give UNI the 20-0 lead after the PAT was blocked.

As UNI was taking advantage of penalties and turnovers, SIU was making big plays. Five key plays went at least 50 yards. Craig Turner returned a punt 58 yards to put SIU on the scoreboard finally with 3:57 left in the half and less than two minutes later, Quorey Payne scored on a 69-yard pass from Joel Sambursky. UNI's Patrick Hunter scored his first career TD on a 52-yard pass from Petrie with 10 seconds left in the half.

Turner added a 71-yard run with 11:15 left in the third quarter and Craig Coffin's 33-yard field goal pulled SIU back to within two at 26-24 at the 4:25 mark. The teams traded scores to start the final period. Petrie threw a 19-yard pass to James Lindgren with 13:48 left, and SIU answered with a 61-yard TD pass to Brandon Jacobs just 44 seconds later. SIU took the lead for good at 38-33 with 11:33 remaining on a two-yard run, which followed Petrie's third interception of the day.

Petrie led what was the final drive of his collegiate career down to the SIU 18 when he suffered his injury. Brian Wingert then kicked a 35-yard field goal to make it 38-36 in favor of SIU with 8:17 left, but SIU got two more points on a safety at the 5:59 mark.

Redshirt freshman Eric Sanders showed his grit in a pressure situation when he drove the Panthers down to the SIU 20 with 20 seconds left. His first two passes went incomplete, and his last attempt with eight seconds remaining was intercepted on the two-yard line.

Petrie left the game after having completed 12-of-24 passes with the three interceptions and three TDs for 187 yards. Sanders completed five-of-13 passes for 56 yards and the one interception. Terrance Freeney gained a hard-fought 93 yards on 26 carries. Surrency caught a game-high seven passes for 98 yards and the one TD. UNI was led defensively by senior end Ryan Arnold with six tackles.

Panthers facing up to the 2004 GAME-BY-GAME

Western Kentucky 17
UNI 10

October 9 • Cedar Falls, IA • 12,184

For the third game in a row, UNI lost to a top-ranked team in the last minute of play, this time to sixth-ranked Western Kentucky, 17-10.

On paper, if appeared UNI won the contest. The Panthers outgained the Hilltoppers 184 to 150 rushing and 205 to 192 passing. Time of possession also was in the Panthers' favor at 31:33 to 28:27.

WKU got on the board first with a 21-yard field goal with 11:17 left in the first period. It looked as though that would be all the scoring in the first half until the Hilltoppers went up 10-0 on a two-yard TD run by Brian Porter with 20 seconds left. The TD was set up by a 62-yard pass to Maurice Perkins caught at the UNI six yard line.

UNI fought back in the second half. Redshirt freshman quarterback Eric Sanders in his starting debut after the loss of senior Tom Petrie the previous week to a broken clavicle threw his first TD pass at the 9:26 mark of the third quarter, a one-yarder to Ben Spellman. Sophomore Brian Wingert kicked a 20-yard field goal to tie the game at 10 with 4:49 left in the third quarter.

The play that broke the stalemate and handed UNI its third straight loss was a 68-yard punt return for a score with 13:23 left in the game by WKU's Dennis Mitchell.

Also for the third game in a row, UNI had a chance to tie or win the contest on its last possession. Sanders threw an eight-yard pass to Andy Thorn, reaching UNI's 36; a 17-yard pass to James Lindgren reached the WKU 47, and a 33-yard pass to Patrick Hunter left the ball on the 14. Sanders' next pass went incomplete and on the next play he was sacked for a loss of seven yards. His next attempt was incomplete, and for the second week in a row, he was

intercepted on his final attempt with about eight seconds remaining in the game.

Richard Carter led UNI with 15 carries for 65 yards. Terrance Freney carried 11 times for 56 yards, but entered the game late in the first half after being ill most of the week. Four players caught three passes each, including Thorn, Lindgren, Curt Bradley and Carter. Sanders finished the night with 18-of-26 passing with two interceptions for 205 yards.

Defensively, UNI was led by junior inside linebacker Brett Koebecke with 14 total tackles, including one sack and five solos.

Senior quarterback Tom Petrie sits out his first full game after breaking his clavicle the previous week.

UNI 22
Youngstown State 20

Oct. 16 • Youngstown, OH • 15,937

Good things come to those who persevere. UNI's football team persevered through a multitude of injuries and last-possession losses three weeks in a row to top-ranked teams. Just when it looked like a repeat performance, Brian Wingert's 31-yard field goal with no time left on the clock lifted the Panthers to a 22-20 win at Youngstown State. The victory snapped a three-game losing streak and gave UNI its first Gateway Football Conference win of the year.

UNI built up a 19-7 lead with 1:40 left in the third quarter. Junior tailback Terrance Freney scored on a one-yard run with 10:07 left in the second quarter. But Wingert's point after attempt was blocked, leaving YSU with a 7-6 lead. The Penguins had scored first on a 75-yard pass from redshirt freshman Tom Zetts to Matt Rycraft with just 1:21 remaining in the first period.

The Panthers took a 9-7 lead at the half on Wingert's 39-yard field goal with 5:16 left. A 31-yard TD reception from redshirt freshman Eric Sanders to Justin Surrency put UNI in charge 16-7 with 8:43 left in the third period. Wingert kicked a 26-yard field goal with 1:40 left in the third to put the Panthers up 19-7.

YSU fought back, scoring on a one-yard run by Demetrius Ison with 5:29 left in the game. It regained the lead 20-19 on a nine-yard pass from Zetts to Mike Roberts with just 3:53 remaining. That score followed a Freney fumble recovered by James Terry on the UNI 24-yard line.

Deja vu.

After Richard Carter returned the ensuing kickoff 10 yards to the Panther 28, Sanders threw an incomplete pass. Surrency caught a 14-yard pass to the UNI 42 for a first down. Carter gained 16 yards on the next three carries, but was thrown for a four-yard loss back to the YSU 46. Sanders again threw an incomplete pass on a third-and-nine play, but he connected again with Surrency for 14 yards on the next play to keep the drive alive at the 1:22 mark.

Freney gained just five yards on the next two plays when Wingert attempted a 44-yard field goal with no time left that might have been partially blocked and came up short of the posts. With the Penguins beginning their victory celebration, the officials called a roughing the kicker penalty on YSU, and UNI was given a second chance. This time, Wingert's 31-yard field goal was good, and the celebration took off on the other side of the field.

Wingert was named the Gateway's Special Teams Player of the Week and The Sports Network Special Teams Player of the Week for his effort, the first UNI player to receive a weekly award this season.

UNI won the game on paper, also. It gained 361 yards to YSU's 264. The Panthers rushed for 224 yards, with Freney gaining a season-high 136. Sanders completed nine-of-18 passes with no interceptions for 137 yards. Surrency caught five passes for a game-high 94 yards. Linebacker Titus Ivory recorded a team-high 12 tackles, including five solos and one tackle for loss. And UNI had a 10-minute advantage in time of possession.

2004 GAME-BY-GAME

Western Illinois UNI 13 36

Oct. 23 • Cedar Falls, IA • 12,325

The offense moved the ball and the defense dominated in UNI's 36-13 win at home over Western Illinois. Terrance Freeney was one star for the Panthers, rushing 36 times for 236 yards, just 13 yards shy of his career high, and two TDs in the winning effort. The 236 yards ranks seventh on the UNI chart for most individual rushing yards in a game. He was named the Gateway's Offensive Player of the Week and CollegeSportsReport.com BIG Performer of the Week for his effort.

The Panthers sprinted out of the gates and kept the Leatherneck defense on its heels. Freeney capped off the opening UNI drive with a 26-yard scamper, reaching pay dirt as the clock neared the 12-minute mark.

The Panther defense stuffed WIU's offense, forcing a punt and putting the ball back into the offense's hands. UNI drove 73 yards to its second TD, an 11-yard connection between Eric Sanders and Patrick Hunter with just over six minutes remaining in the first quarter.

Titus Ivory sacked WIU QB Steve LaFalce for a safety, adding two points to make it 16-0 with 4:46 left in the first quarter.

After WIU was forced to punt once again, UNI orchestrated a clock-eating, 12-play, 87-yard drive that ended with Sanders throwing his second TD pass, this time to James Lindgren. The 27-yard strike put the score at 23-0 and capped off an impressive first quarter for the Panthers.

The Leathernecks ended the shutout with a 42-yard field goal near the start of the second quarter, but the Panther offense continued to fire on all cylinders. UNI spent nearly six minutes on an 11-play, 81-yard march, capped off by a three-yard TD run by Freeney. The score gave UNI a 30-3 lead with just 31 seconds remaining in the half.

WIU's offense showed signs of life in the fourth period, covering 43 yards in under a minute and scoring with 8:15 left, making it 33-13. Wingert kicked his second field goal of 24 yards with 5:32 left to end all scoring.

The Panthers compiled 526 yards, 406 rushing. This is the most rushing yards since the Panthers gained 328 on the ground earlier in the season against Minnesota State and the most total offense since compiling 549, also against MSU. Freeney gained 236 of those yards and Carter 123 on 13 carries. Sanders turned in an efficient performance, completing nine-of-15 passes with no interceptions for 120 yards.

Senior offensive tackle Luke Stigler received UNI's first Gateway Conference Offensive Lineman of the Week honor. He graded out at 91 percent.

UNI held WIU to just 11 net rushing yards and 311 total overall. The Panthers' punishing defense held the league's leading rusher and all-purpose runner to just 29 rushing yards on 14 carries, a 2.1 average.

Missouri State UNI 20 42

Oct. 30 * Cedar Falls, IA * 6,152

For the second straight week, the Panther offense tallied at least 500 yards, and for the second straight week, UNI dealt a crushing defeat to a Gateway Football Conference foe. The Panthers dominated Missouri State on all fronts for a decisive 42-20 victory.

The Panthers came out of the gates a bit flat, going three-and-out on their opening possession and surrendering a 44-yard field goal to the Bears. The offense came to life midway through the first quarter with an impressive 95-yard march. Tailback Terrance Freeney capped off the drive with a 19-yard TD run. Eric Sanders was a perfect five-for-four passing on the series.

Wide receiver Justin Surrency kick-started the squad, leading UNI to its second 90-plus-yard drive of the day. He hauled in three catches for 75 yards, including a diving 40-yard TD reception. Brian Wingert's kick put the score at 14-3 with just under five minutes remaining in the first half.

The Panther defense stuffed the Bears and forced a punt, and the UNI offense drove 64 yards to the end zone again, scoring on a 14-yard connection between Sanders and Surrency once again. With the score 21-3 with 42 seconds left in the half, junior tackle Kevin Stensrud picked off his first career interception and returned it seven yards for the TD. MSU added a 49-yard field goal by Jon Scifres with no time left on the clock to make it 28-6 at the break.

UNI marched for its longest scoring drive of the game, a 98-yard marathon culminating in a one-yard TD run by Freeney to make it 35-6 with 7:17 left in the third period. The Bears scored on a one-yard run by A.J. Porter with 14:04 left in the game, but UNI answered with an 80-yard drive capped off by a 16-yard TD run by Richard Carter. MSU scored quickly on a 51-yard TD pass from Porter to Steven Rush with 5:44 remaining to end all scoring.

Kevin Stensrud picked off his first career interception, returning it for a TD.

Sanders turned in another impressive performance, completing 14-of-17 passes for 232 yards and two TDs. Surrency was named the Gateway Football Offensive Player of the Week after pulling down a career-high 10 catches for a personal-best 190 yards and two TDs. Freeney had over 100 yards rushing for the third game in a row when he rushed 35 times for 164 yards and two TDs. Defensively, the Panthers were led by senior free safety James Idleburgh's three solo and nine assisted tackles (coaches' film).

Indiana State 6

Nov. 11 • Terre Haute, IN • 5,261

UNI kept its playoff hopes alive with a 58-6 defeat of Indiana State in Terre Haute. The Panthers won their fourth consecutive game behind the passing of redshirt freshman Eric Sanders, the running of junior tailback Terrance Freaney, the heads up defensive play of senior Beau Gibbs, and productive special teams play.

For the second week in a row, a UNI opponent took an early lead on a field goal. ISU's Kyle Hooper kicked a 34-yarder with 8:09 left in the first quarter. A TD was averted with a seven-yard sack on the drive by UNI's Kevin Stensrud that moved the ball back to the UNI 17. Two plays later, Hooper kicked the goal.

UNI then went on a tear, taking a 30-3 lead. The Panthers went ahead 7-3 at the 6:23 mark on a 17-yard TD pass from Sanders to tight end Brian Cutright. The drive was kept alive by a 38-yard pass to Curt Bradley. Two plays later, Cutright scored. Three minutes later, Gibbs tackled ISU's Jake Shields in the end zone for a safety after Cory Henke's punt was downed on the UNI one yard line. A 55-yard pass to Patrick Hunter put UNI up 15-3 at the end of the first period.

Sanders threw just his fifth interception of the season on UNI's first series of the second quarter, but less than a minute later, Gibbs recovered a fumble on the Sycamore 31. Six plays later, Justin Surrency caught a 10-yard TD pass from Sanders and Brian Wingert's PAT made it 23-3 with 10:34 left in the half.

UNI took a 30-6 lead into the locker room at the break after tight end Andy Thorn caught a five-yard pass from Sanders with 13.6 seconds remaining. The Panthers were heading towards the locker room when the officials mandated one second be put back on the clock and Hooper kicked a 46-yard field goal to end the first-half scoring.

For the third week in a row, UNI totally dominated an opponent. The Panthers put up 28 more points on the board in the second half, beginning with a 68-yard punt return by Surrency with 9:48 left in the third period. Gibbs recovered his second ISU fumble 12 seconds later, but UNI was unable to capitalize after Freaney fumbled and ISU recovered on its own 10. However, eight seconds later, Alphonso Key intercepted Phillip Johnson at the Sycamore 32.

Freaney's two-yard run with 3:21 left in the third gave UNI a 44-6 lead and Sanders scored on a 14-yard run with 53 seconds remaining to make it 51-6. At that point, redshirt freshman Chris Parsons replaced Sanders. Matt Tharp recovered another ISU fumble on the Sycamore 30 and less than two minutes later, senior tailback Jim Lizzi scored on a nine-yard run to end all scoring.

Sanders completed 11-of-15 passes with the one interception for 174 yards and the four TDs. He was named the Gateway's Offensive Player of the Week, while Surrency received his second consecutive conference honor when he was selected the Special Teams Player of the Week.

UNI's 21 seniors said goodbye to the UNI-Dome and won their fifth consecutive game. With all the focus on the seniors, redshirt freshman Eric Sanders turned in another rock solid performance, completing 10-of-14 passes with no interceptions for 165 yards and a pair of scores.

UNI orchestrated a five-play, 62-yard opening drive that was capped off by a 20-yard TD run by junior Terrance Freaney. An interception by linebacker Brett Hockbe paved the way for UNI's second scoring drive, covering 48 yards in six plays which culminated in a four-yard pass from Sanders to Freaney with 8:32 left in the first quarter. Sanders then launched a 74-yard scoring strike to Patrick Hunter on the next series to put the Panthers up 21-0 with 6:44 left. The Redbirds' next possession was cut short when sophomore Dre Dokes picked off his first of three interceptions, leading to Brian Wingert's 44-yard field goal, which gave UNI a 24-0 lead at the end of just one period.

Senior Richard Carter hit pay dirt on UNI's first drive of the second quarter when he scored on a 33-yard run. ISU finally got on the board with a six-yard pass with 1:52 left to make it 31-7 in favor of UNI at the break.

Reggie Brown scored on a two-yard run with 9:23 left in the third quarter and Wingert kicked a 19-yard field goal with 1:14 remaining in the third period to make it 41-7. ISU scored on a controversial three-yard pass with just three seconds left in the game.

The Panthers gained 364 yards, including 199 rushing, and gave up 235 yards to the Gateway's second-leading offensive team. ISU quarterback Yance Vaughan was sacked four times.

Reggie Brown scored on a two-yard run to put the Panthers up 38-7.

2004 GAME-BY-GAME

UNI Northern Arizona 45 21

Nov. 20 • Flagstaff, AZ • 5,942

UNI finished the season with six straight wins and once again dominated an opponent despite a rough travel day. The Panthers led 10-0 at the half after Beau Gibbs recovered a NAU fumble on the Lumberjack 28, which eventually led to Brian Wingert's 43-yard field goal with 7:27 left in the first quarter. Senior defensive tackle Justin Heins intercepted his first career pass and returned it to the NAU 38. Terrance Freaney advanced to the NAU 10 yard line on a fourth-and-one, which helped set up Andy Thorn's eight-yard TD pass reception, his first of three on the night, with 11:50 left in the half. Michael Matthes blocked a 37-yard field goal attempt with 6:53 remaining, and Heins recovered a fumble on the Jack 24 with 29 seconds left before intermission.

NAU recorded its first score on a five-yard pass with 11:22 left in the third period, but UNI answered about three minutes later with Thorn's second TD, this time from 13 yards out. NAU pulled to within 17-14 with 5:43 left in the quarter on another three-yard pass and with 2:55 left, James Idleburgh picked off his first of two interceptions, returning it to the UNI 38 to save another possible score.

NAU took its only lead at 21-17 with 10:06 left in the game on a one-yard run, but the Panthers scored the final 28 points of the game, beginning with Thorn's nine-yard TD reception with 8:32 left. Gibbs intercepted a Jason Murrietta pass at UNI's 25, and a little over two minutes later, redshirt freshman quarterback Eric Sanders scored on an 11-yard run. Idleburgh got his second interception at the 4:13 mark, returning it 47 yards for a TD. Less than two minutes later, Heins recovered his second fumble on UNI's 42 with 2:56 remaining. Jim Lizzi ended all scoring on a one-yard run with three seconds left in the game.

Justin Heins (no. 93) brought in his first career interception and recovered a fumble against the Lumberjacks.

UNI'S WALK-ON TRADITION

UNI'S Walk-On Tradition

Walk-ons have played an important role in UNI's successes on the field and in the area of academics.

Chris Stimmel

Eddie Galles

Adam Vogt

Mark Farley

Walk-ons always have played a key role in the success of UNI's football program, particularly at the 1-AA level where there is a limited number of scholarships available.

While many of these valuable assets to the program go largely unnoticed on game days and in the press, they haven't been overlooked or ignored by coaching staffs. Walk-ons aid in smoother practices and help ensure the best preparation for Saturdays. Some have played their way to scholarships, starting roles and all-America honors.

This is a "Panther high five" to those dedicated players, some with familiar names, some with not. The tradition of UNI football would not have been possible without their contributions.

James Lindgren, UNI Junior WR/RS

"Since the moment I walked on to the team, I've felt like I've had to prove myself. I knew I was at the bottom of the totem pole, and I would have to work hard to earn respect from the coaches and players. Walk-ons aren't guaranteed much of anything from the program, other than a chance to prove ourselves, and that is why we have to work that much harder. My physical and emotional strength has been

tested greatly, and with God's help I feel like I've survived the worst of it.

"Now that I've earned some playing time on the field, I feel a lot of different things. I feel like all the hard work has finally paid off and the struggles were well worth it. I feel thankful to the coaches for allowing me the opportunity to be a part of this team, thankful to the players for the family-like relationships that have developed, and thankful to God for giving me the strength to persevere throughout.

"One thing that I feel a walk-on develops in life is a desire to work hard to earn respect and other rewards. Because I've had an urgency to prove myself from the start and to take advantage of every opportunity given, I feel like that will stick with me for the rest of my life."

Panthers facing up to the pros

PANTHERS IN THE PROS

At press time, UNI had a total of nine student-athletes competing in the NFL, an unprecedented number. Five of those active players were draftees.

Wide receiver **Eddie Berlin** was drafted in the fifth round by the Tennessee Titans, the 159th pick overall and the 21st receiver taken, in the 2001 NFL draft. He signed a new contract with the Chicago Bears this past spring. Berlin set school and Gateway Conference career records with

249 receptions.

Defensive back **Brent Browner** currently is playing for the Austin Wranglers of the Arena League. He was activated from the injured reserve list in February. He also spent the first two games of 2004 on injured reserve after being activated in March of 2003. He originally signed as a free agent in

October of 2003. In 2003, he spent time with the Detroit Fury and 2002 with the Quad City Steamwheelers. Browner was a three-year starter at corner for the Panthers.

Daryon Brutley was a standout corner at UNI after transferring from Southern Mississippi. He signed with the Ohio Valley Greyhounds of the United Indoor Football Association in March. Previously, he signed as a free agent with the Buffalo Bills in 2002, then later was signed by the Philadelphia Eagles in 2003. He was drafted as the first pick in the third round by NFL Europe's Berlin Thunder following his stay in Philadelphia. Brutley was a second team all-conference choice in 2001.

Punter **Derrick Frost** signed a free agent contract with the Philadelphia Eagles on May 2, 2003. He was waived on May 13 and was claimed on waivers by Baltimore on May 27. Waived by Baltimore on Aug. 30, he was signed by Cleveland as a free agent on Dec. 10 and to the active roster on Dec. 12. A second team all-conference choice for the Panthers in 2002, Frost set school records for average in a game (52.0) and season (43.6).

Wide receiver **Mike Furrey** signed a free agent contract May 1, 2002, with the St. Louis Rams. His contract was extended in January and was switched to free safety this spring. An all-American who played for the Panthers from 1997-99, he signed a free agent contract with the Indianapolis Colts

after his senior year in 2000 but was released. He also spent time in the New York Jets training camp in 2002 before heading to the Arena Football League's New York Dragons. He played the 2000 season with the Las Vegas franchise of the XFL. In 2002, he led the Dragons with 74 catches for 1,055 yards and 27 TDs on his way to being named the 2002 All-Ironman.

Tight end **Ryan Hannam** became UNI's 12th NFL pick when he was chosen in the 2002 draft in the fifth round by the Seattle Seahawks. Hannam was a two-year starter for the Panthers. He was an honorable mention all-American by Don Hansen's National Weekly Football Gazette.

Quarterback **Tom Petrie** was invited to the Washington Redskins' mini-camp this spring. He then had a tryout with the Buffalo Bills. He finished his UNI career as the Panthers' sixth all-time leader in pass attempts (818), fifth-best in completions (436), fifth-best in passing yards (5,791) and is tied for seventh all-time in passing TDs (28).

Brad Meester became UNI's highest pick in the NFL draft when he was selected by the Jacksonville Jaguars in the second round, the 60th pick overall, in 2000. He was a two-time all-American center for the Panthers.

Defensive back **Justin Sandy** signed a free agent contract with the Tennessee Titans in April of 2004. He later was cut, then reinstated to the practice squad. He did receive playing time briefly last season before an ankle injury sidelined him. Sandy was named first team all-conference in 2003 after leading the Panthers in tackles with 93 total, along with four forced fumbles, nine deflections and three interceptions. He played in the Blue-Gray Classic.

Defensive back **Benny Sapp** signed a free agent contract in the spring of 2004 with the Kansas City Chiefs. Sapp played two years for the Panthers after transferring from Iowa. He led the Panthers in 2003 with 19 deflections to go along with 48 total tackles and two interceptions. He played both sides of the ball his senior year, lining up at times as a receiver, and returned kicks. He was a first team all-conference pick in 2003.

Tight end **Andy Thorn** signed a free agent contract with the Philadelphia Eagles this spring. Thorn played two years for the Panthers after transferring from Iowa and was an honorable mention all-conference pick in 2004.

1994 UNI starting quarterback **Kurt Warner** signed with the Iowa Barnstormers of the Arena League in 1995 after being cut by the Green Bay Packers. He signed with the St. Louis Rams in 1998 and played with Amsterdam prior to being named the NFL's and Super Bowl's Most Valuable Player in 1999 and 2001. He signed a new contract with the Arizona Cardinals in March.

Quarterback **Ryan Helming** signed a free agent contract in 2001 with the Kansas City Chiefs after setting school and conference marks for career TD passes, total offense and passing yards. He didn't make the final cut with the Chiefs, but was signed as a free agent in 2003 by the St. Louis Rams. He played for the Los Angeles Avengers of the AFL in the spring of 2003 before an ankle injury sidelined him.

All-American kicker **MacKenzie Hoambrecker** signed a free agent contract with the San Diego Chargers in 2003. He was released on the final roster cut before being re-signed to the practice squad on Sept. 1. He then was cut last August and signed with the Philadelphia Eagles in January. He was destined to play in Europe but sustained a quad injury, resulting in his being cut this spring.

Assistant coach **Bill Salmon** was drafted in the 10th round by the Minnesota Vikings in 1976 but an off-season knee injury eventually led to the end of his playing career.

Quarterback **Steve Sandon** was drafted by the New England Patriots in the 11th round in 1982.

Running back **Randy Schultz** played football for State College of Iowa from 1963-65. He became the first SCI player to be drafted by the pros, going in the fifth round to the Cleveland Browns. He played for the Browns from 1966-67 and the New Orleans Saints two more seasons.

Wide receiver **Reid Seitz** was drafted by the Calgary Stampeders in the third round, the 27th pick overall, in 2002.

Wide receiver and return specialist **Kenny Shedd** was drafted by the New York Jets in the fifth round of the 1993 draft. He signed with the Chicago Bears in 1994, but didn't make the final cut. He played for Barcelona of the World League of American Football before signing with the Oakland Raiders in 1996. He was picked up by the Washington Redskins in 2000.

Wide receiver **Jake Soliday** signed a free agent contract with the Arizona Cardinals in 2002 and was cut in 2003.

Defensive back and return specialist **Tyree Talton** was drafted by the Detroit Lions in 1999 in the fifth round in a trade. He was claimed off waivers by the Oakland Raiders in October of that year, then was reclaimed by Detroit later in the season. After being released in 2000, he was drafted by the New York-New Jersey franchise of the XFL.

All-American offensive guard **Mike Timmermans** was drafted in the 17th round by the Green Bay Packers in 1976.

Two-time all-American **Dedric Ward** was the 88th player drafted overall, taken in the third round, by the New York Jets in 1997's draft. He moved to the Miami Dolphins in 2001 and signed a free agent contract with the New England Patriots in May of 2003. He signed with Dallas last summer.

Despite an abundance of offensive line talent, the Dallas Cowboys kept free agent **Steve Wright** as one of 18 athletes who made the Rookie Class of 1981. He was traded to Baltimore in 1983 and became its starting right guard. He signed with the Michigan Panthers in December of 1984, with his contract assigned to the Invaders following consolidation. In the spring of 1987, he was picked up by the Los Angeles Raiders. He announced his retirement in June of 1994. He played tight end and tackle at UNI.

(Attend. 10,165)

Montana State	0	7	7	0	14
UNI	3	11	14	7	35

Highlights: UNI advanced to the quarterfinal game after defeating 24th-ranked Montana State. The game was tied at 14 with 12:04 left in the third quarter before the Panthers scored 21 unanswered points to secure the win. UNI drew first blood with nine minutes left in the first quarter on a 27-yard field goal by Brian Wingert. His career-long 49-yarder with 14:55 left in the half gave UNI a 6-0 lead. MSU's Scott Turnquist scored on a 13-yard pass from Travis Lulay with 10:24 left in the half for the Bobcats' only lead, and the Panthers took the 14-7 lead at intermission when tight end Andy Thorn scored on a two-yard around end play with 1:47 remaining in the second. Lulay's 11-yard run tied the game at 14. UNI's Eddie Galles began the Panthers' march to victory with a 75-yard TD reception from Tom Petrie with 8:25 left in the third period. Terrance Freenezy scored on two one-yard runs to seal the win, the first with 4:42 left in the third quarter, and the last with 6:49 left in the game. After gaining just 196 yards in the first two quarters, the Panthers ended the night with 467 yards.

POST-SEASON APPEARANCES

2003 DIVISION 1-AA QUARTERFINALS

December 2, 2003, at Newark, DE
(Attend. 11,881)

UNI	0	7	0	0	7
Delaware	17	0	10	10	37

Highlights: UNI's season came to a close at third-ranked and second-seed Delaware. The first major snow storm of the season snarled travel plans on the East Coast, delaying the Panthers' departure on Friday and forcing the team charter to fly into Baltimore, MD, followed by over an hour bus ride to Newark. The game's kickoff was delayed by half an hour, allowing UD staff to clear snow off the field. Though it stopped snowing prior to kickoff, a stiff wind caused havoc in the kicking and passing game. To make matters worse, UNI quarterback Tom Petrie was suffering from the flu and with a high temperature. The Panthers fell behind 17-0 with 4:42 left in the first quarter. The Blue Hens scored on a two-yard run with 9:17 left. Following a blocked UNI punt that was returned to UNI's nine yard line, and a pass interference call in the end zone, UD went up 14-0 on a three-yard run at the 6:24 mark. Benny Sapp fumbled the ball on the ensuing kickoff return, eventually resulting in a UD 24-yard field goal. The Panthers got back in the game when Petrie scored on a one-yard run with 13:50 left in the half. The score followed a Blue Hen fumble recovered by Kevin Stensrud on the UD 49. UNI had a chance to pull within 17-14 or 17-10 with just 4:09 remaining, but Petrie's pass to Marlus Mays was intercepted on the two yard line, and the Panthers never really threatened after that.

2001 DIVISION 1-AA FIRST ROUND

December 1, 2001, at Charleston, IL
(Attend. 6,824)

UNI	10	15	14	10	49
Eastern Illinois	7	13	8	15	43

Highlights: UNI won just its second 1-AA road playoff game in history when it out-last-ed third-ranked Eastern Illinois. UNI's 49 points scored tied a school playoff record for points, matching the 49 scored against Arkansas State in the 1987 quarterfinals. EIU's J.R. Taylor broke loose for a 49-yard rushing TD with 5:03 left in the second quarter to pull EIU within two points. A one-yard plunge by UNI's Adam Bengé with 2:33 left put UNI up 23-14. Eastern closed ranks again with a 39-yard pass play, but UNI's Adam Vogt blocked the PAT attempt and Daryon Brutley returned it for two UNI points. UNI never trailed in the second half, but EIU did close the gap to three points, 39-36, with 14:08 left in the game. After UNI went up 49-36 with 6:58 remaining on Mackenzie Hoambrecker's 27-yard field goal, EIU ended all scoring with 3:27 left on a three-yard pass play. The Panthers were able to run out the clock for the victory.

UNI's Adam Bengé set school playoff records when he rushed for 177 yards and four TDs on 29 carries in the win over Eastern Illinois.

Maine	7	14	7	0	28
UNI	14	7	14	21	56

Highlights: UNI advanced to its fifth 1-AA semifinal game with the victory. UNI set four school playoff records, including its 56 points. Mackenzie Hoambrecker was successful on all six PAT attempts, setting marks for made and attempted extra points. Ken Harris returned a 47-yard interception for a TD with 6:12 left in the game for the final score, setting a new standard for interception return yards. Griff Jurgens threw for a career-high 299 yards and two TDs. Adam Bengé rushed for 114 yards and TDs of three, 63 and five yards, giving him his eighth 100-yard-plus game of the season. The game was tied at 21 at the half and at 28 with 4:23 left in the third quarter before UNI busted loose for several key defensive plays and the 63-yard breakaway TD run by Bengé.

December 15, 2001, at Missoula, MT
(Attend. 18,848)

UNI	0	0	0	0	0
Montana	17	14	7	0	38

Highlights: UNI ran into a buzz saw at no. 1-ranked Montana. The Grizzlies went up 3-0 on a 36-yard field goal with 9:03 left in the first quarter after the Panthers first held them with no score. UM missed on a 50-yarder with 10:29 left in the first period, but UNI's Brent Browner was flagged for roughing the kicker, which gave UM a first down on UNI's 18, leading to the first score. UNI's Griff Jurgens fumbled on the Panthers' own 30 and less than one minute later, UM went up 10-0. Jurgens injured his knee with 33 seconds left in the first period, and the game never was in hand after that. Tom Petrie came into the game in relief on Jurgens, completing 10-of-21 passes with no interceptions for 178 yards. Carlos Dallis recorded 17 tackles, including 13 solos.

1996 DIVISION 1-AA FIRST ROUND

November 30, 1996, at Cedar Falls, IA
(Attend. 10,402)

Eastern Illinois	7	7	0	0	14
UNI	7	7	0	7	21

Highlights: UNI defeated 14th-seed and 16th-ranked EIU in a game typical of the series between these two teams — the outcome not decided until the final second. The Panthers scored the winning TD with 7:02 left in the game. EIU fumbled on its next two possessions, with UNI's Steve Beard intercepted in between. Then Beard fumbled and EIU got the ball back at the 3:19 mark. Eastern got down to UNI's two yard line. Quarterback Mike Simpson pitched to running back Chris Szarka, who in desperation threw an incomplete pass in the end zone to tight end Mike Mangan as time ran out.

1996 DIVISION 1-AA QUARTERFINALS

December 7, 1996, at Cedar Falls, IA
(Attend. 10,796)

William & Mary	0	28	7	35
UNI	17	10	8	35

Highlights: UNI defeated eighth-seed and seventh-

ranked William & Mary, holding the Tribe to only 67 yards, including minus-27 rushing, in the first half while gaining 293 yards itself. But W&M came back to tie the score at 35 with 5:40 left in the game. Matt Waller's 32-yard field goal with 2:13 left gave UNI the win. His field goal was set up by W&M's Darren Sharper's fumble on a punt return which was recovered by the Panthers at the Tribe 30. UNI's Dedric Ward fell just short of a 1-AA playoff record with 11 catches for 245 yards and two TDs. Jeff Stovall gained 55 yards and scored twice before leaving the game in the second half with an ankle injury. Steve Beard's 360 passing yards was a career high.

December 14, 1996, at Huntington, WV
(Attend. 14,414)

UNI	0	0	14	14
Marshall	7	3	14	31

Highlights: UNI's playoff nemesis, first-ranked and no. 2 seed Marshall, pulled out another win to advance to the national championship game. It was the fourth time the Panthers fell one game short of making the title game. Alonzo Clayton's 58-yard punt return set a school playoff record, while Marshall tied a UNI mark with four rushing TDs. Matt Waller's 44-yard blocked field goal at the end of the first half was a heartbreaker and would have put the Panthers only a TD down at intermission.

Alonzo Clayton's 58-yard punt return set a school playoff record in the 1996 semifinal game against Marshall. He tied a school playoff record with three TDs in the first round game in 1995 against Murray.

1995 DIVISION 1-AA FIRST ROUND

November 25, 1995, at Murray, KY
(Attend. 7,633)

UNI	7	14	7	7	35
Murray State	0	14	7	13	34

Highlights: UNI advanced to the quarterfinal round after defeating fourth-ranked and fourth seed Murray State. The victory marked UNI's first road win in the 1-AA playoffs following five losses. The Panthers were one of two lower seeds to win their first-round games. UNI never trailed in the game. Alonzo Clayton tied a school playoff record with three TDs. MSU tied the game at 21-all with 9:05 left in the third quarter, but Chris Berg's 60-yard pass to Matt Harken with nine seconds left put the Panthers back up 28-21. MSU tied the game again with 10:24 remaining and Berg's 13-yard pass to Dedric Ward gave UNI a 35-28 lead. Matt Waller's fifth extra point of the day also tied a school playoff record. With 1:26 left, MSU scored on a seven-yard run, but Clayton blocked the extra point, snapping a streak of 79 straight PATs. Ward recovered the ensuing onside kick and UNI was able to run out the clock.

The Panthers never led in the game but did tie it twice, the last at 14-all with 5:23 left in the first quarter. The closest they could get after that was 21-17 with 10:30 left in the third quarter on a 42-yard field goal by Matt Waller. The Panthers kept up in the passing game, but gained only 36 yards rushing to Marshall's 251.

Matt Waller's 42-yard field goal with 10:30 left in the third quarter pulled UNI to within 21-17 in the 1995 quarterfinals at Marshall.

FIRST ROUND

November 28, 1994, at Missoula, MT

(Attend. 7,958)

UNI	7	6	0	7	20
Montana	7	10	0	6	23

Highlights: UNI's fifth straight playoff appearance ended for the second year in a row in a first-round loss. The Panthers had chances to tie the game or go for the win on their last series, but Jeff Stovall was stopped for a loss of three yards on the Grizzlie 16 on a third-and-one play, and Matt Waller's 36-yard field goal attempt failed with 1:34 left in the game. Sylvester Brown rushed for a game-high 147 yards on 13 carries and Dedric Ward caught two passes for 77 yards, but UNI could not contain UM's Dave Dickenson, who completed 38-of-50 passes for 436 yards and two TDs. His leading receiver was Shalon Baker with eight catches for 145 yards.

Sylvester Brown rushed for a game-high 147 yards on 13 carries in UNI's 23-20 loss at Montana in the 1994 first round.

UNI	3	9	9	0	0	0	21
Boston University	0	6	7	8	0	6	27

Highlights: UNI, ranked 13th in the final Sports Network poll, traveled to sixth-ranked and fourth-seeded Boston University for the first round. After leading 12-6 at half-time and seemingly having the game under control with a 21-6 lead with 11:07 remaining in the third quarter, the Terriers began their comeback bid following a 48-yard fumble recovery return with 6:48 left in the third. Boston tied the game at 21-all with 3:14 left in the game.

In the first overtime, UNI's Todd Harrington intercepted a BU pass on the one-yard line and Scott

Obermeier's 20-yard field goal attempt hit the right upright. Obermeier missed a 32-yard attempt in the second overtime. After BU's 33-yard field goal attempt was blocked by Myron Glass, Andre Allen was flagged for a questionable facemask penalty and the Terriers got the ball back on the eight yard line. Two plays later, BU's Zack Burwell scored from four yards out to advance to the quarterfinal round.

UNI gained 362 yards, 263 passing, to Boston's 346, 300 passing. Jeff Stovall rushed 35 times for 122 yards, while Kurt Warner completed 15-of-28 passes with one interception and one TD.

December 5, 1992, at Cedar Falls, IA

(Attend. 13,375)

McNeese State	0	0	7	0	7
UNI	7	15	7	0	29

Highlights: UNI took advantage of seven McNeese State turnovers to advance to the semifinal round. UNI scored on 12 passes of 31, 11 and 12 yards by Jay Johnson, including two to Tim Mosley, on a safety blocked out of the end zone by Willie Beamon and on a one-yard run by linebacker William Freaney. The Cowboys' seven turnovers were more than they had given up in all of its previous three games. Freshman Kerry Joseph was intercepted four times and he had only four total heading into the game. Tim Mosley caught two TD passes in UNI's 29-7 win over McNeese State in the 1992 quarterfinals.

was limited to 62 yards, with freshman Henry Fields gaining a game-high 91 yards. Joseph completed nine-of-24 passes for 102 yards. UNI gained 96 yards rushing and Johnson completed 19-of-39 passes with one interception for 222 yards.

Despite holding YSU to 253 yards, over 100 yards below its average, and containing rushing threat Tamron Smith to 98 yards, the Panthers couldn't overcome three lost fumbles, an interception, the fact that all-American Kenny Shedd played only in the first half with a hip pointer, and a 71-yard punt return for a TD on YSU's first possession to put the Penguins up 7-0. The loss broke UNI's 25-game home winning streak. UNI's only score was a one-yard run by Jay Johnson with eight seconds left in the third quarter. YSU scored on the punt return and four field goals, the longest being 54 yards. UNI compiled 319 yards.

The Panthers, ranked fourth, trailed 35-14 at the half but they came back to score seven unanswered points in the third period. In the fourth, they scored 20 more and tied the game with seven seconds left in regulation on a five-yard pass from Mike Smith to Sherrod Howard. The two-point conversion pass to Woody Wright sent the game into overtime. UNI's Errol Peebles fumbled on NLU's three in the first overtime possession. NLU's Teddy Garcia missed a 41-yard field goal on the Indians' first play, but he connected on his next 41-yard attempt to give NLU the lead. UNI's Danny Helmer missed a 38-yard field goal to give NLU the victory. Wright, replacing the injured Boyd in his first start, rushed for 112 yards on 20 carries. Smith's six TD passes set a playoff record.

(Attend. 3,887)**

Youngstown State	7	7	7	7	28
UNI	7	10	14	0	31

Highlights: UNI foiled a Youngstown State attempt at a comeback, intercepting a Penguin pass and holding YSU on two consecutive fourth down conversions in the fourth quarter. YSU scored its last TD with only 8:51 left in the game, necessitating the Panthers' heroics to preserve the win. Even with the interception and fourth down saves, UNI's Carl Boyd fumbled the ball at Youngstown's 20 with just over a minute to play. The Penguins drove to UNI's 23, but missed a 40 yard field goal with seconds left. Boyd rushed for 126 yards on 23 carries.

**December 14, 1985, at Cedar Falls, IA
(Attend. 12,300)**

Georgia Southern	14	3	7	16	40
UNI	14	6	3	10	33

Highlights: Georgia Southern brought its "Hambone" offense to the UNI-Dome. The Eagles scored their last TD with only 34 seconds left in the game after UNI had tied the contest at the 2:44 mark. 1985 DIVISION 1-AA QUARTERFINALS

**December 7, 1985, at Cedar Falls, IA
(Attend. 6,220)**

Eastern Washington	0	0	7	7	14
UNI	10	7	0	0	17

The Eagles got as far as their own 44 with time running out on the clock, but the quarterback was sacked for a loss of four on a fourth down play. Errol Peebles rushed for 129 yards on 26 carries, his fifth 100-plus game of the year, in UNI's 17-14 win over Eastern Washington in the 1985 quarterfinals.

1975 DIVISION II PLAYOFFS

(First Round)

**November 29, 1975, at Cedar Falls, IA
(Attend. 2,500)**

Western Kentucky	0	7	7	0	14
UNI	6	0	0	6	12

Highlights: In what has since been dubbed the "Mud Bowl", UNI struggled with Western

Kentucky in heavy rain, 42-degree temperatures and a 16 mph wind in the last game to be played in O.R. Latham Stadium. The Panthers closed to within two points when they rallied with 12:25 left in the game. The last TD was set up when Jim Fransen put WKU in a hole by booting a 64-yard punt to its one yard line.

UNI had two chances to cash in in the final period but two errant field goals by Fransen buried the Panthers' chances deep into the muddy field. Fransen missed from 38 and 27 yards.

Jim Fransen found kicking in heavy rain and wind difficult in the last football game to be played in O.R. Latham Stadium.

Lineman Camp

Get a head start on your competition by spending an early summer day on the UNI campus. The Lineman Camp has one goal for every participant – fundamental improvement in J-Line/D-Line play. This is a semi-contact camp for players entering grades 9-12. All campers are grouped by age. Campers are instructed in both offensive and defensive line play, including competitive drills.

Def. Instruction

- *Stance & take off

7-On-7 Passing Tournament

This tournament has developed into one of the most competitive in the mid-west as teams throughout Iowa and four surrounding states participated in the 2003 field. All teams are grouped into leagues according to the size of their respective schools. Every team is guaranteed a minimum of three games. Fourteen fields are in continuous use.

Rules

- *Length of the game is comprised of two 20-minute halves with a five-minute halftime. The clock is continuous.
- *Each team fields seven players, including a center for the offensive unit.
- *Playing field is 45 yards in length marked in 15-yard intervals, plus a 10-yard end zone.
- *The offense has four downs to produce a first down or score. First downs are achieved by crossing a 15-yard interval.
- *Scoring occurs in the form of touchdowns (six pts.) and PATs (one pt.). Teams can score on defense.

Youth Camp

The Panther Youth Camp is a great opportunity for you to start developing your football skills. The UNI staff has two goals for each camper – to have fun and to improve on the basic fundamentals of each position. This is a non-contact camp with emphasis placed on teaching basic fundamentals and techniques. Each camper is instructed in both offensive and defensive positions. Campers have two practices each on two days and one on the final day.

THE DON ERUSHA FOOTBALL LOCKER ROOM

As a tribute to a dedicated supporter of UNI football, the university would like to name the new locker room in honor of Don Erusha.

Don Erusha began his football coaching career in 1953 as an assistant coach at West Branch High School. In 1963, Don came to the State College of Iowa as an Associate Professor of Physical Education. That same year, he began his collegiate coaching career as an assistant coach under Stan Sheriff. Don retired from coaching at UNI in 1977, but has continued to assist UNI football in various volunteer capacities for almost 30 years.

"In one fashion or another, Don has positively influenced a countless number of UNI football players. I can't think of anyone who wore purple and gold who wouldn't want to support this project in honor of Don Erusha!"

Randy Buchwald '77

UNI's current football locker room features lockers and carpet from more than 30 years ago. It is functional, but offers no area to recognize past players and friends, and is not particularly oriented towards facilitating teamwork.

The proposed locker room renovation will be much more inspiring to both current players and prospects. It will provide clear and concrete evidence that UNI greatly values its football program and is dedicated to its future success. With the open gathering area and spacious lockers, players will enjoy a professional team atmosphere. Whether returning after a win or loss, players will know their value when they walk into this locker room.

"A locker room should be where your players mentally prepare for their respective responsibility on the football field. It can play a huge role in the overall attitude of the team."

Coach Farley

Why is the football locker room renovation important?

- **Utilization:** The locker room serves as a starting and ending point to a player's career. Without exception, this is the most used and respected area of any football program.
- **Team Building:** The locker room is a gathering place, where players develop the friendships that are critical to team chemistry and camaraderie.
- **Game Day:** The locker room is a place of motivation, both before the game and during half-time. Victory celebrations begin there.
- **Recruiting:** The locker room is a powerful recruiting tool and can create a "wow" factor for campus visitors. Parents and prospective players associate this area with UNI's commitment to the football program.

Help us give Panther football players the facility they deserve!

For your contribution of \$1,000 or more, a finely-etched plaque in your name will be mounted on the locker of your Panther jersey number. It will include your name, position(s), jersey number and year(s) played while at UNI. This is your chance to see your Panther legacy live on. Panther fans making a gift of \$1,000 or more will also be recognized and have their name displayed inside the locker room. Please consider making a tax-deductible gift today.

"As the Head Football Coach of the University of Northern Iowa, I am forever proud of who I represent. Our football program is recognized across the country for its excellence.

Many people deserve to be recognized for creating our tradition. Former players, coaches and supporters have committed time and money to create the pride we all have in our association with Panther football.

The locker room renovation is a way that we can make a lasting impact on our program and a means that will recognize the past and enhance the future."

"This program is the most important thing. It was here before we were here, and it will be here after we leave. We represent the community, we represent the state, and we will do everything that we can to put UNI football at the level we're proud of and always have been at this university. When I'm talking about this program, I'm talking about alumni. This place is important to them, just as it is to me."
